A stairway to heaven carried out the theme with a silver chandelier overlooking the center of the dance floor. Blue and white streamers formed a circle around the area where some 35 couples enjoyed an evening of dancing. "The Griffin", a dance combo from Portland, provided the music for the annual affair, which was highlighted by the coronation of the royalty chosen by the junior class. Nick Marick was named king and Shauna Bergstrom was crowned queen. The prince for the evening was Herb Ekstrom; the princess was Marlene Magill. Crown bearers were Sylvia Ladd and Mark Meyers. Eighth graders who served refreshments were Dan Akers, John Ekstrom, Catherine McElligott, and Lori Bergstrom.

To Eastern Oregon Voters:

I am a candidate for delegate to the Democratic National Convention from the 2nd Congressional District. As the only candidate from a small rural county and the only candidate presently serving as an official in a unit of local government, I am qualified and interested in representing the agricultural and small business communities as well as the interests of local governments. Federal and State participation in local affairs is something that is here to stay, and it is important that our local officials have political experience, knowledge and influence.

If you cast your vote for me as delegate to the Democratic National Convention from this District which includes all the 18 Eastern Oregon counties plus all of Marion County and parts of Clackamas and Linn Counties, I feel sure that it would put me in a position where I can be of more service to Gilliam County and to the District.

I support Senator Henry M. Jackson as the presidential candidate with the knowledge, capacity, and influence to help develop our natural resources, increase opportunities, and maintain the quality of our lives.

I would appreciate your help by making my name known in the parts of the District where I am not as well acquainted.
