

Zone Ordinance Hearing Friday

If you missed the first Zoning Ordinance hearing yesterday afternoon at Lexington Grange Hall, you are cordially invited to the final meeting. It will be held at 7:30 p.m., Friday evening at Greenfield Grange Hall.

Anyone with objections to any of the proposals in the Zoning Ordinance or any suggestions is advised to be sure and appear to be heard.

If you wish to be heard on matters pertaining to the proposed Ordinance, or if you wish to know more about it, be sure and attend this meeting Friday evening at Boardman.

Elma's Plans Store Expansion

Mr. and Mrs. Everett Harshman who are owners of Elma's Apparel Shop and Elma's Flowers here plan to start remodeling in the very near future on their store on Main Street.

They plan an extension in the rear of the building, the rear of the building and the florist department will be moved there. The dress shop will be located in the present florist department. In the front of the building will be added new line. This will be for children's wear and workmen's wear of an inexpensive nature. They will also add inexpensive lines of sheets and pillow cases, blankets and a number of other goods to bring a new department store to Heppner.

Pioneer Picnic Planned

Registration will begin at 10:30 a.m., May 29 for the 19th Morrow County Pioneer Memorial Picnic. Dinner will be served at noon by the Triple Link Club of the Rebekah Lodge. The meat, rolls, butter, milk, ice cream as well as table service, will be furnished. Guests are asked to bring potluck casseroles, salads and desserts.

An invitation is extended to everyone to attend the day's activities and to stay and renew old acquaintances after the dinner. Coffee will be available for those who wish to stay and visit.

Junior Rodeo Entries Due

The Morrow County Junior Rodeo entry blanks will be available after May 15th at Gardner's Men's Store.

The blanks must be completed and returned to Bernice Struckmeier by June 1st the deadline.

Gale Street Paving

Bids will be received by the Oregon Highway Commission May 25 in Salem for some \$3,661,000 in various projects.

In Heppner a project of 0.23 mile of grading and oiling on Gale Street (between Water and West Center Street) is planned. Completion time is 60 calendar work days.

Exalted Ruler Dave McLeod congratulates Rick Barnett of Ione High School as the Elk's Boy of the Year. Dianne Mills has just received congratulations as the Elk's Girl of the Year. Bill Siewert has chaired the project for Heppner Lodge No. 358. It was a project of National.

Elks Name Year Teen-Agers

Dave McLeod, exalted ruler of the Heppner Elks Lodge, was master of ceremonies Thursday following a fine beef dinner. He presented the Teen-Agers of the Year (shown above) and introduced the winners of the Boy and Girl Teen-Agers of the Month: Dianne Mills & James Cutsforth for November; Jeanie Daly & Charles Pointer for December; Ann Louise McElligott & Richard Barnett for January; Marlene Magill & Clint Krebs for February; Shanny Farley & Craig Munkers for March.

Melvin Moyer Named Conservation Man

MELVIN MOYER stands beside the grader he uses to make his Diversion Ditches.

Melvin Moyer was named Soil Conservation Man of the Year Tues. evening at the spring meeting of the Morrow County Wheat Growers at Lexington Grange.

He was selected by a secret committee who inspected a number of ranches before making the difficult decision.

COMPLETE STORY & PICTURE IN NEXT WEEKS G-1.

Big Ione Auction Due June 3

Saturday, June 3, is the big date to keep in mind as the day of the Annual Auction and Barbecue sponsored by the Ione United Church of Christ. The usual full day of family activities is being planned.

The Country Store opens at the sound of the bell at 10:00 a.m. and the auction begins at 10:30 a.m. Merchandise chairman Paul Pettyjohn announces that merchandise has started to come in, but much more is needed. Please call him at the number listed in the classified ads.

Tell your kids to start saving their pennies, dimes, and nickels for the Fish Pond and Snack Shack. Other popular attractions will be the "Second Hand Table" and "Antique Alley."

Awards Night May 16

The induction of new members into National Honor Society will begin the Awards Night, Tues., May 16, at Heppner High School. The new student body officers will also be inducted, and many subject awards will be given.

The purpose of the assembly is to give special awards, chosen by the teachers, and a Teacher of the Year award, which was voted on by the students.

The delicious barbecue menu is being planned by the church and is sure to please every appetite. "Try it, we know you'll like it!"

Cheri Carlson Wins U.P. Cash

College scholarships have been awarded to outstanding 4-H members in Morrow and 11 other Oregon counties served by the Union Pacific Railroad, says Don Stangel, Morrow county extension agent.

Each year, the company gives \$400 scholarships to members of 4-H and FFA in 198 counties in the Western United States. The scholarships are for use next fall at a Land Grant University for study in home economics or agriculture.

This is the 51st year of the scholarship awards.

Morrow County's recipient is Cheri Carlson, daughter of Mr. and Mrs. Louis Carlson of Ione. Cheri is a ten-year 4-H member in clothing and other 4-H projects. She is currently serving as president of the Morrow County Empire Builders Club. Cheri is active in church, school and community affairs. Her plans are to enter OSU this fall majoring in home economics.

She is currently serving as president of the Morrow County Empire Builders Club. Cheri is active in church, school and community affairs. Her plans are to enter OSU this fall majoring in home economics.

Child Abuse Law Changes to be Told

During the last session of the Oregon Legislature, numerous changes were made in the laws regarding child abuse cases. This law now places additional responsibility in the area of reporting abuse cases upon citizens.

A meeting has been scheduled for Wed., May 17, at 7:30 p.m. at the Heppner Grade School. District Attorney Herman Winter will discuss the law.

Decorated Cakes At Special Sale

Decorated cakes that have been ordered in advance and some that have not been ordered will be featured at the Mother's Club cake sale this Sat. Cakes may be purchased or picked up as ordered at the Coast to Coast store starting at 10:00 in the morning.

Mrs. Don Johnson and Barbara Jessmer are decorating the cakes and Mrs. Harley Sager has been taking orders and special instructions for them.

Jon O'Donnell On Dean's List

Oregon Technical Institute at Klamath Falls has just issued its Dean's List for Winter Term.

On the Dean's List from Heppner is Jon K. O'Donnell who is studying diesel technology.

CONSERVATION PRACTICES COMPLETED

In just under a year since the May 1971 flood, the conservation practices at the head of Shobe Canyon were completed. There are diversion ditches, sediment ponds and grassed waterways. The ditches and dams have all been seeded to grass.

The Soil Conservation Service is in the process of computing the footage of the work completed. Dale Boner says, "It looks pretty good".

SURVEY TO BE MAILED MAY 15

The community development survey is being sponsored by the Heppner-Morrow Chamber of Commerce merchants committee.

Chairman Dick Sargent announced that the County Extension office is cooperating and will mail the survey forms on Monday, May 15 to Heppner trade area people. This will include, besides south Morrow County, parts of Grant and Wheeler Counties.

The survey questionnaire was introduced by Stan Miles, extension agricultural economist from Corvallis. Original questionnaire was one developed for an Iowa town to determine how local business and professional services can be improved and what is needed in additional services.

The questionnaire will include a postage paid, addressed return envelope.

JACK SUMNER TOUR DIRECTOR FOR TRIP

Jack Sumner, candidate for State Representative of District No. 55 has received notice that he will be the Bus Tour leader on the United Nations Pilgrimage for Youth. The tour is the annual project of the Odd Fellow and Rebekah Lodges.

The educational bus tour provides free travel to and from New York City for the 20 delegates from Oregon and 14 from Idaho. The tour leaves Portland on July 6 and returns July 30. They will have a week in New York City to study the United Nations in action. They will tour the UN buildings, listen to behind-the-scenes explanations of various departments, witness councils and committees in session, hear the business of the UN conducted in five official languages, eat in the UN Delegates dining room. Hopefully these activities will enable them to comprehend the relations of their home communities with the affairs of the world.

Advantage is taken enroute for stopping places of educational, history or scenic interest. They will visit Yellowstone National Park, Gettysburg, Valley Forge, Philadelphia, Washington D.C. In Canada, they will stop at Ottawa, Montreal, old Quebec City as well as other places in Canada.

Mr. Sumner made the tour 20 years ago as a winner of the United Nations Pilgrimage. His son, John, was the 1971 district winner and made the tour.

Timber Tour

There will be a tour of precommercially thinned areas on French Ranch in Morrow County, May 24, at 1:00 p.m. at Gilliam and Bisbee Building in Heppner, according to Warren Weather, Service Forester of the State Forestry Dept.

Scholarships Awaiting Students

Morrow County's T.B. and Health Association Scholarship Committee will meet Mon. at 7:30 in the County Health office. Health career scholarship applications will be considered. All applications must be on file with either Mrs. Alma Green at the Health Office or with Mrs. C.C. Jones at Lexington.

POPPY DAYS MAY 18-19

Poppy Days are here again and poppies will be made available here May 18 & 19 by the Heppner unit of the American Legion Auxiliary.

Mrs. C.J.D. Bauman, Poppy chairman, says "By wearing a Poppy, you will honor more than half a million Americans who died during World War I, World War II, Korean War and Vietnam Conflict."

Making poppies is the only opportunity for many of the veterans to earn money during the time they are in the hospital. It is also used as therapy. It is a happy day in a hospital or work shop when a large order is received. The materials are furnished free by the American Legion Auxiliary in the states where the hospitals are located.

All Poppy proceeds go directly to aid disabled war veterans and their families. Traditionally there has never been any price fixed to the Poppies but donations of any amount are acceptable. The basic purpose is to offer to the American public the opportunity to honor the war dead and assist the living.

In 1971, the poppies sold in Heppner came from the hospital at Roseburg. This year they were made by the veterans at White City Domiciliary.

BISHOP SPOFFORD will be at the All Saints Episcopal Church May 21 for Confirmation services. Members are asked to bring a simple dessert to enjoy following the service.

BAND AWARDS NIGHT MAY 25 7 p.m. ST. PATRICKS PARISH HALL

Potluck supper for all band families and friends will precede the presentations. Meat and beverages will be provided. All those interested in the school music program are urged to attend.

County Court Offers Airport to Port of Morrow

At the May 3 meeting of the Morrow County Court, the members approved having the District attorney talk with the Port of Morrow in regard to their taking over the County Airport. The court felt they might be interested in that it is a revenue producing property. Presently the house rents for \$150., the wheat lease is \$300 a year. Insurance and taxes have gone up to \$400. This leaves only \$50 a year to go into maintenance.

The deed shows no house on the property.

In the discussion, it was reported that at present there is no charge at the airport for parking planes. Mr. Winter noted that the cost to tie down a plane at The Dalles is \$12. Mel Boyer rents the house and is in charge of the Airport.

Sheriff John Mollahan reported that the gas tank secured from Emergency Services is working very well as the auxiliary gas tank for the department's pickup.

In further discussion, Judge Jones noted that he felt the county might be better off to lease the high mileage cars but not the low mileage cars. "If we can rent a car at 4cents a mile, the county can't afford to own a car."

Senator Mark O. Hatfield R-Ore., was a guest at the home of Mrs. Dorothy Kennedy in Boardman Saturday on his re-election campaign through eastern Oregon. About 65 persons called at the Kennedy home, which is a remodeled railroad station filled with relics of the early west. Assisting Mrs. Kennedy were Mrs. Dewey West Jr. and Mrs. Everett Struckmeier.

Hatfield told the people that he was going to enlist the aid of Sens. Warren G. Magnuson and Henry Jackson of Washington in getting the U.S. Navy to depart from the Boardman Bombing Range. Hatfield said that the Senate Armed Services Committee had agreed in August, 1959 that the completion of the John Day Dam pool would require the Navy to look elsewhere for a practice bombing range, and he does not understand why they have changed their minds now. He has written a letter to Defense Secretary Melvin Laird, dated Mar. 3, telling him that the Navy agreed to study alternate sites in 1969 and told him that the Navy found two suitable locations which were reviewed and updated in 1971. He asked Laird "to review this matter at the earliest possible date" so the transfer can proceed in an orderly matter.

Morrow County Hears Hatfield

Hatfield told the people that he was going to enlist the aid of Sens. Warren G. Magnuson and Henry Jackson of Washington in getting the U.S. Navy to depart from the Boardman Bombing Range. Hatfield said that the Senate Armed Services Committee had agreed in August, 1959 that the completion of the John Day Dam pool would require the Navy to look elsewhere for a practice bombing range, and he does not understand why they have changed their minds now. He has written a letter to Defense Secretary Melvin Laird, dated Mar. 3, telling him that the Navy agreed to study alternate sites in 1969 and told him that the Navy found two suitable locations which were reviewed and updated in 1971. He asked Laird "to review this matter at the earliest possible date" so the transfer can proceed in an orderly matter.

Local Chamber Hears of Housing, Recycling

At Monday's Chamber of Commerce meeting at the Wagon Wheel, Harold Kerr told of the quarterly Morrow County Rural Development committee meeting. It was held here Friday and was concerned mostly with the housing problems here. He reported that people came from as far away as La Grande and Hermiston. He said that the housing problem in Heppner is not getting solved. Expansion of the Kinzua Corp. will bring a number of families here.

Louis Baxter of Farmers Home Administration attended the Friday meeting and stated loans are available thru banks and FHA to subsidize certain types of building according to income.

One man at the meeting spoke on modular homes he has for sale. To be an economic investment, a mobile home court would need 40 units and require some seven acres; more if on a hillside.

ton may absorb the housing need by additional building there to help in the shortage at Heppner.

Mayor Collins said there had never been water rationing here. He said cost of a new water line from up the creek would be \$90,000 for the material plus installation. When the Willow Creek project comes, some financial help is expected in water line rebuilding.

Mrs. Garry Tullis, extension aide, reported on a recycling meeting held at Heppner High last Friday. This meeting was a cooperative venture and included Ione, Lexington and Heppner extension people and students, TOPS Club members, Heppner City Council and the Environmental Council.

John Matthews, representing the Oregon Environmental Council, an Extension program, covered the pitfalls and economics of a recycling program. He explained the mechanics of the program, where and how to obtain people and help. It was noted most of the programs are started by young people and women.

It was brought out to be a very good way to obtain cooperation with a number of communities.

He told of markets for various commodities such as crushed glass and metals. Rev. Ed Cutting told of prices obtained such as \$200 a ton for aluminum. Some kinds of crushed glass bring \$20 a ton but the shipping costs most of that. Trick is to find a market, get a trucker to advise on shipping.

Because of the poison in printing inks, there is almost no market for toner.

Gene Pierce, President of the Bank of Eastern Oregon, is again giving some of his valuable time to the Morrow County 4-H program. For a number of years he has gathered 4-H Summer School scholarships so 23 of Morrow County's 4-H'ers can attend 4-H Summer School on the OSU campus June 12-17. Helping Gene on this project are: Mildred Davidson, Lexington; June Crowell, Ione, and Francine Evans of Irrigon.

Anyone interested in supporting this effort can contact any of the above people or Don Stangel at the Morrow County Extension Office.

RECYCLING INFO GIVEN

John Matthews, the graduate student from Oregon State, who spoke enthusiastically and knowingly on Recycling last Fri. had a real good handbook on Recycling. If you are interested in securing "The Recyclers Hand Book, a guide for Community Action" write for it to Continental Can Co. in Walla Walla, Wa.

He also said that beer distributors in Pendleton would accept any kind of aluminum cans and other household aluminum. Distributors are Ranier, Olympia, Blitz Weinhard and Carling. He suggested before taking over an accumulation it would be a good idea to contact them to see which days they would accept them, hours, place, etc.

They will also accept bottles that are returnables to dealers. They pay 50 cents a case.

He distributed Household Ecology sheet with Recycling hints for Mothers and others. The Gazette-Times will print these from time to time.

HINTS: Use natural repellents instead of insecticides in your garden. Marigolds, painted daisies and many herbs (garlic) naturally repel insects. Or make a spray from them using an atomizer. Some insects are good: slugs, worms, spiders, snakes, grasshoppers, praying mantises and lady bugs. Encourage them by providing dark "hiding" places. Spreading coffee grounds attracts worms and beer attracts slugs. Destroy or isolate diseased plants. Slightly soapy water won't harm plants but effectively eliminates aphids.

Seek 4H Scholarship

Gene Pierce, President of the Bank of Eastern Oregon, is again giving some of his valuable time to the Morrow County 4-H program. For a number of years he has gathered 4-H Summer School scholarships so 23 of Morrow County's 4-H'ers can attend 4-H Summer School on the OSU campus June 12-17. Helping Gene on this project are: Mildred Davidson, Lexington; June Crowell, Ione, and Francine Evans of Irrigon.

Anyone interested in supporting this effort can contact any of the above people or Don Stangel at the Morrow County Extension Office.

AGENDA for the Morrow County School District R-1 meeting May 15 at 8:00 p.m. at the District office: New Business--Consider bids on 12 passenger panel. Consider teacher resignations. Approve contracts for new personnel. Canvass director election results. Adopt school budget for 1972-73. Certify 1972-72 tax levy to the assessor. Consider repair or purchase of compressor for Ione Shop. Consider request to attend school in non-resident attendance area. First grade enrollment Heppner Elementary 1972-73. Hire classified employees (Executive session). Reports: Small School Workshop at Riverside-Mr. Dalton. Announcements: Graduation: Riverside, May 26, 8:00 p.m.; Ione, May 27, 8:00 p.m.; Heppner, May 28, 7:30 p.m.

The next regular meeting will be June 19 8:00 p.m., in the District Office.
