BETTY PFEIFFER and husband John came to Heppner from Seattle 24 years ago and have never regretted the move. Their children grew up in this clean and uncomplicated town, are now married and gone and raising their own families. Both Pfeiffers have enjoyed being involved in many civic, school and church activities over the years. For 24 years they have owned and operated Western Auto on the corner of Willow and Main, Betty has been a Soroptimist serving happily in practically every category. She was president 1959-60 and is presently classification and membership chairman and regional representative. She says this is "the finest of organizations". Fishing is her favorite sport and she looks forward to some beautiful day when there will be more time for it.

I cannot say, "AND TO THE IDEALS FOR WHICH IT STANDS" If only my mouth speaks the words;

It matters not what price you've paid—you can't get gladness ready-made. To get the real and lasting kind—you have to grow it in your mind.

No. 3 SOROPTIMIST SMILES  
(Tune: Smiles)

There are times that make us happy,  
There are times that make us blue  
There are times when we are filled with courage  
When we have a lot of work to do.  
There are times when we are all united,  
When we work and sing with hearts so true;  
For Soroptimism fills our hearts with sunshine,  
And we're loyally backing you.

No. 4 ALOHA

Once again in fellowship we've met,  
To pledge our sisterhood so true,  
Lovely friendships we can ne'er forget  
As we part, may all good wishes go with you.  
CHORUS  
Good luck to you, Good luck to you,  
The hour is through, but sing this sweet refrain—  
Good luck to you, May your dreams come true,  
Until we meet again.

Sweetly now the hour of parting brings  
Our thoughts to what our service means  
Visions pure untouched by selfish aims,  
May its magic spell be woven through our dreams.  
CHORUS

MARLENE (BERGSTROM) PETERSON married Randall Peterson the last day of 1971. They have had three great trips.....like three honeymoons! Their first trip was to Las Vegas in Feb. to attend the REA National Convention. Randall is a member of the Columbia Basin Electric Co-op board of directors. In March, they went to Hawaii for their official wedding trip! They had fun as well as attending the Northwest Jewelers Conference. Another first for Marlene was a trip in April to Washington DC. They had lots of sight-seeing besides attend-

ing the American Gem Society Convention. Marlene did some errands there. She went to see Representative Edith Green who had been asked to speak at the Senior Girls luncheon. Due to the press of election year responsibilities plus her normal work load, Mrs. Green said she wouldn't be able to make it this year. Marlene has three sons by a previous marriage. They are Hal in the Navy at the Tonkin Gulf, Bruce a graduating Senior and Mike a sophomore at Heppner High School.
