Haguewoods Home Again

Mrs. Ron Haguewood accompanied by Kristi, Kelsey, and Kimee Lu Haguewood have returned from a two week trip to Washington D.C., New York City, and other eastern cities. They stayed with Mr. & Mrs. Larry Huffman & family at Waldorf, Maryland. Mrs. Huffman, is the former Nancy Wright and was born and attended school in Heppner. She and Mrs. Haguewood are sisters. Mr. & Mrs. Huffman spent a week showing them the many beautiful monuments, historical and Federal Buildings in and around Wash. D.C. A trip to the zoo to see the Panda bears from China and the Smithsonian Institute were especially interesting. They enjoyed a pro basketball game between the Baltimore Orioles and the Kansas City Royals and spent one day fishing on the Chesapeake Bay. Mrs. Haguewood and children took the Amtrak Metroliner express through Maryland, Pennsylvania, Delaware, New York and New Jersey to New York City where they spent two days sightseeing. They had dinner at Sardi's and saw the stage show at the Radio City Music Hall. A guided tour through the United Nations and The Cathedral of St. John the Divine were most impressive. They also took an all day bus tour of New York City which included a trip to the Statue of Liberty, the top of the Empire State Building and a walk through China town.

Civic League Changes Name

Heppner Civic League met on Mon. evening in the kindergarten room. Plans were finalized for the annual graduation picnic to be held on Fri., May 26 at 11:30 a.m. at the fair pavilion. This year's kindergarten children and those to attend next year are invited to attend with their mothers. All are asked to bring sack lunches. Punch and ice cream will be provided.

A new name was selected for the group as it has been the general opinion that the name Civic League no longer clearly identified with the kindergarten. From now on the group shall be titled Heppner Community Kindergarten.

A new slate of officers was elected for the 1972-73 year. Mrs. Kit George will lead the group as President with Mrs. Ladd Dick as vice president, Mrs. Merlin Hugh-

es, Secretary, and Rose Bergstrom, treasurer. Two board members will be elected in the fall.

Dr. McCaleb, a Heppner High School graduate, is director of Oregon's exemplary project in Career Education, a program within the David Douglas Public School System just east of Portland. The Greens also visited their daughter Margaret Green who is working in Portland.

Dear Blue Cross:

My son's unexpected hospitalization in Nevada involved only several hundred dollars. But when I called your office, the lady I talked to treated it as if it were \$20 million. She unscrambled my confusion, and even called back to see if everything was satisfactory. She deserves hearty congratulations.

In today's busy world, personal concern and service are seen so seldom that I felt we had to say thank you.
