Nebraskan Likes Grass

In a letter from Nebraska, a young man writes that the discovering the values of grass. "Grass that roots to the water table and yields and yields." He said he tried to farm like his father and grandfather (with commercial fertilizer to help) but on sandy ground everything fails except grass in this country. He put in his first planting of grass in 1961 and says it has made money every year since.

Word has been received that Mrs. Albert Schunk of Hermiston is in St. Alphonsus Hospital in Boise where she recently underwent surgery on her legs. It is expected she will remain in the hospital the rest of May.

And our warmest wish for continuing success and achievement.
