Free Color Portrait Offer For Gazette-Times Subscribers

The Gazette-Times thinks a lot of its subscribers...so much so we are going to give you a FREE 8 X 10 color portrait. That's right, we are going to give all subscribers who renew their subscriptions and all new subscribers a free 8 X 10 color portrait of their family or children.

Having a fine family portrait made is something that almost always is talked about, but seldom do families ever get around to it. (Or, if they do, they shudder at the cost!)

But we have contacted a nationally-known professional studio which will provide you with a high-quality 8 X 10 Heirloom Tapestry finish color portrait...and it won't cost you one cent!

Just think, all you have to do is buy a new subscription or renew your present subscription for one year (remember, even if your present subscription still has time to run, we'll simply add this renewal to it) and you will be entitled to this lovely, large portrait.

If a family portrait isn't possible, then plan on bringing one or all the children. (Think how happy grandparents would be to receive a photo of all the children). Don't forget - Christmas is only a very few months away and you'll have time to order and receive additional prints for Christmas giving.

Of course, we can't continue this offer for too long. All new and renewal subscriptions must be in our office by the middle of October. Appointments will be made at your convenience. Earliest appointments will be made on a first-come, first-serve basis so please send in the coupons now.

The photos will be taken in the office of the Gazette-Times in Heppner and the photographer will take a minimum of six poses (more for family groups) so you'll have a variety of poses to select from.

Check the ad in this week's Gazette-Times for the complete details and the portrait subscription blank. Fill it out and mail it to the Gazette-Times, Box 337, Heppner, Ore. 97836. That's all you have to do, we'll take care of the rest. Remember, the offer will end before you realize it, so don't delay, do it today.

MERCHANTS MEET usually held monthly on the first Friday will be held instead next week, Sept. 8.
