Consolidation **Hearings Dated On** Soil & Water Districts

A public notice appears in this issue telling of the hearings to be held, one at the Fairgrounds here Sept. 25 at 8 p.m., and another Sept. 26 at 8 p.m. at Greenfield Grange Hall in Boardman. All are invited to attend the meetings which are being held to determine whether the Heppner Soil and Water Conserva tion District shall be consolidated into one district. Area would cover all of Morrow

Phil Mahoney Hospitalized

Phil Mahoney was hospitalized last Thursday evening at Pioneer Memorial Hospital with a suspected blood clot in his leg. Except for his leg being swollen, Phil feels good and visitors are permitted.

Taco Cookers Burned

Friday evening Mary Abrams and Cyde Allstott were making Tacos at the Allstott home when the oil caught fire. The girls rushed it outdoors and as they poured water on it the grease exploded Mary received burns on her face, arms and hands. Cyde was burned on one arm and both the girls have singed hair and eyebrows. Although Mary's burns are not severe she is bandaged about the face and and finds eating is difficult. Straws have been her main eating implement. Both girls hope to be back in school by Wednesday

Success Story

Mrs. Ralph Crum called to cancel the Peacock ad. She had sold all of them with her G-T classified ad. For a disappointed caller after they were sold, she has some Peacock eggs so maybe she can raise some yet.

It is amazing how these G-T ads work. The bargain of the year is a 15 word classified running 4 times for only \$1.95. Call 676-9228 and we'll help

New Wheat Seed Available in County

A new high yielding soft white wheat developed at Oregon State University named Hyslop is available for release this fall, reports Harold Kerr, County Extension Agent.

Hyslop is adapted to areas with 10 or more inches of rainfall. It should replace Gaines or Nugaines, in our area. The new variety was developed by Dr. Warren Kronstad, OSU Plant Breeder

Hyslop is faster emerging than Gaines or Nugaines. Milling and baking qualities of Hyslop are superior to Gaines and Nugaines. In addition, over a five year period in test plots. Hyslop averaged 44 bushel compared to 41 for Gaines and Nugaines. Kronstad recommends slightly heavier seeding rates and that Hyslop can be seeded deeper than Gaines.

Morrow County growers who have certified seed for sale include: Ken Turner, Garry Tullis, Bob Jepsen, Don McElligott, William Rill, Don Jack Sumner

Keith Rea. A new fall barley from Washington State named Kamiack is available from Paul Tews and Ken Turner It's characteristics by com-

parison with Hudson, include a larger kernel, a shorter height and somewhat stiff straw Kamiack is approximately 10-14 days earlier in maturity than Luther which provides an advantage in areas of moisture stress.

Other certified varieties of wheat available from Morrow County growers include Luke wheat from Nelson Brothers: Twin and Springfield wheats from the Tucker-Echo farms.

Sen. Hatfield Talks On Energy

Sen. Mark Hatfield told listeners in Heppner at a coffeee hour Saturday morning, that the Willow Creek project here appears to be right on schedule.

He told of his involvement when Governor of Oregon with the Boardman project and its vast potential.

The Senator said that energy runs the country. He feels that nuclear power and several other types of power are going to be needed as there is no possibility of any more dams on the Snake and Columbia Rivers. He mentioned a power potential in Southeastern Oregon for geo-thermal power plants.

The possibility of a nuclear power plant near Boardman means the Navy must move its bombing range. The Senator is on the appropriations mmittee for feels the Navy will listen when discussing the Bombing

Range moving. He said experimental projects with wood waste showed that a ton of wood waste would make a barrel of crude oil.

The Senator was accompanied by Dewy West, Jr. of Boardman, the county chair-man for Sen. Hatfield's camp-

knee injuries.

Community Trade Fair

Come to the Trade Fair Sept. 28 at 7:30 p.m. at Heppner High School. This is second annual Teachers and Newcomers Reception sponsored by the Heppner-Morrow County Chamber of Commerce, Heppner Soroptimist Club and the Mimisterial Assoc-

iation. The format is different but the welcome is just as sincere as merchants and organizations plan display stalls to acquaint others with what's to do and what's to buy in Heppner.

Ron Daniels with his dry wit is sure to be a very popular emcee. Guests will be greeted at the door by Soroptimist Club members and will then enjoy a wide variety of delicious home made cookies provided by the church women of the area and have punch or coffee provided by the Chamber of Commerce.

Dick Sargent, merchants committee chairman, designated certain individuals to visit with business men in each block to acquaint them with the program and encourage them to arrange a "stall. Introductions and a few musical numbers will complete the program for the

evening. This is a community-

wide affair and everyone is

Coach Starr Talks Football

Coach Chuck starr gave a football inspirational before the Heppner-Morrow County Chamber of Commerce meeting Monday in his evaluation of players, his hopes for the season and his reasons for leaving a college coaching position and coming to Hepp-

He noted the leadership on the field of Rick Drake, Dale Hedman and Bill Jepsen. Quarterback Jerry Gentry while only a Sophomore is showing unusual expertise in this position. The coach said. "he's a cool thinker, throws the ball well and makes good play selection". Another quar-ter back Alan McCabe seems to be shaping up as à better running back and will probab-

ly play full back. In all 43 are out for football. Eleven of whom have previous varsity experience. There's 8 seniors, 13 juniors, 8 sophomores and 14 freshmen. well balanced group but we'd like to have more Sophomores out. We're in good shape in numbers just lacking exper-

The boys are learning basic fundamentals, conditioning, new offense, new defense and new terminology. When asked about any

changes in rules, the Coach explained one change that he feels will be hard to referee. A player can't come back into a designated zone to block below the waist. The zone is four yards on either side of the center and three yards on either side of the line of scrimmage. This is to prevent

Coach Starr came from Pacific University where he was assistant footfball coach and head track coach. He gave up the idea of going into

business when he experienced the friendliness of Morrow County, liked it as a place to make his home and raise his family and for the hunting and

He likes the attitude of the boys out for football and said in closing "we plan on winning more games than we lose". Football season opens this Friday with Prairie City here

NEED AMBULANCE

at B O'clock

DRIVERS President Ed Dick revoiced the need of volunteer Ambul-ance drivers for night calls. "If 30 to 31 will sign up, one night a month would be all that one person would be responsible for," he said. Those volunteering for weekend stand-by receives a fee. The driver never goes out alone as a qualified person from the hospital accompan-ies the driver. At this time, the driver need not hold a First Aid card. The Hospital would handle the scheduling. He noted that Harry O'Donnell and he had volunteered. Anyone willing to serve is

asked to call the Hospital. RECEIVE GIFTS Chamber float at its last showing of the season were guests of the chamber and were presented with gifts from float chairman, Randall The girls were Peterson. Marie VanMarter, Tricia Prock, Janet Gentry and Kellie Kilkenny

The float won first place in Community floats at Pendleton's Dress-up parade.

Allen Nistad accompanied by an individual who would like to put in a Mobile Court will be the guest speaker at the Sept. 18 Chamber meeting.

FFA Team Wins at Sherman Fair

The Heppner FFA stock judging team came home from the Sherman County Fair at More with top honors. Heppners team was in first place with a score of 863. The Dalles was 2nd with 842, Sherman had 834, Hood River 809 and Culver with 755

Members of the team were Rick Drake, Bill Jepsen, Barry Munkers, Kris Haguewood and Kelwayne Hague-wood, Ray Whitaker. Of the six on the team four of the six were in the Top 10 for the show. The highest possible score for individuals was 300. They judged market lamb,

breeding ewe, market steer, breeding beef, market swine and breeding swine.

The Fair is a closed and FFA chapters can only enter their Livestock Judging teams.

High Individuals High Individuals and their scores: Kelwayne Hagnewood 290 Heppner, Jan Rasmussen 289 Hood River, Chuck And-rews 287 The Dalles, Barry Munkers 287 Heppner, Christi Haguewood 286 Heppner, Ben Synon 286 The Dalles, Tom Macnab 285 Sherman, Connie Barron 283 The Dalles, Bill Jepsen 279 Heppner and Steve Kock 279 Sherman.

Long Range School **Plans Aired**

Before beginning his review of the Long Range plans of the Morrow County School Dis-trict, Sup't. Ron Daniels told the Heppner-Morrow County Chamber of Commerce re-cently that the school buildof Morrow County have met all state standards. "This is the first year since 1961 that we haven't been sub-standard". In the last five years a great deal of money and planning has gone into the buildings in the district, some of them over 50 years old, to meet the requirements of six different inspectors. In the last five years, \$55,000 has gone into the Heppner Elementary maintenance and upgrading program and \$28,000 in the Ione Elementary. These two buildings had These two buildings had received the lowest ratings in the district. About \$20,000. a year is put in the budget to keep the buildings up to standard. trict is one of the strongest in

The search for the Best Comic in this year's parade has ended with identification from Barbara Jessmer. The girl stuffed with pillows turn-ed out to be a boy, Barbara's nephew, stuffed with pillows and wearing a wig. This year's best comic was Damon Mc-Gill from Yreka, Calif. spent the summer with the Jessmers.

Coach Injured in Freak Accident

A freak accident occurred last week when a branch whipped back and hit Coach Chuck Starr's eve while he was grouse hunting with his assistant football coach Dean Naffziger. The eye doctor told him Saturday, that it was clearing up satisfactorily. He is supposed to take it easy the rest of this week.

Patients receiving medical care at Pioneer Memorial Hospital are Phil Mahoney, Heppner; Juanita Cogburn Lexington and Ben Cox,

David Stangel, Heppner was WEATHER

HI LO PREC

The recommendations in Curriculum and building as developed by a Long Range committee representing all attendance areas in Morrow County are now ready for presentation to the public. Superintendent Ron Daniels reviewed these recommendations in detail at the Chamber meeting and will do so at the Soroptimist Club meeting on Sept. 21. He is willing to present them before any roup in the county The committee felt that the

needs should be divided into classifications. The first is the immediate needs that are necessary now. The second would be needs of a more long range nature that could be affected by program or population changes within the county

A vocational shop facility at Heppner was listed as No. 1 of the immediate needs. Also recommended in the first year of a three-phase project was improvement in heating and wiring at the Ione Elementary School, limited remodeling of the AC Houghton Elementary (old building) and Heppner Jr.

High, gym and auditorium. The 2nd year would include four additional classrooms at A.C. Houghton and the 3rd year four new teacher stations

Riverside. Longer range needs were listed as (1) additional schools in north Morrow County if population growth is as antici-pated in the Boeing report, (2) new Jr. High school Heppner, (3) new elementary school and vacational shop at

Next Step The next step in the imple-mentation of the long range planning report is to discuss the report with various school committees and civic organizations and solicit their opinons on the (1)priorities of the immediate and long range building needs, (2) type of financing to be recommended (serial levy or bond issue), (3) the timing most desirable for a vote on either a serial levy or bond issue.

"Advantage of the serial levy is that all tax money collected is used for construction and not interest" Superintendent said and "the advantage of the bond issue route is that financing goes over a longer period of time and would take advantage of future increase in TCV which would help lower the cost to other taxpavers.

RC & D PROJECT

SPONSORS MEETING The Columbia-Blue Mts. RC & D Project sponsors will hold their quarterly meeting Sept. 18 at Blue Mt. Community College from 10 a.m. to 3 p.m. A variety of matters will be discussed, according to Ed Hoeft, president.
