HOOF AND HORN
Our final meeting of the 4-H year was held Sept. 21 at the fairgrounds. How to fill out our record books was discussed by leader Dick Sargent, then those members who had finished their 4-H records turned them in. The rest are due Monday the 25th with the judging of record books to be Sept. 27th. It was decided by members that the club would arrange a field day in October where the members and their parents would tour four points of interest. It was decided the meetings will change to the 2nd Wednesday of every month with the next meeting to be Oct. 11th.

BACK FROM GERMANY
Mr. and Mrs. Tom Snyder have returned from a month in Mainz Germany, where they visited their daughter and son-in-law, Mr. and Mrs. Ed Krissie and Stacey. Their daughter Tammy accompanied them and stayed in Germany to be with her sister. She will return in time to enroll as a Junior in college, majoring in music, at mid-term.

A son was born to Mr. and Mrs. Ed Krissie, Sept. 23. He has been named Thomas William, weight 9 pounds 11 ounces. Grandparents are Mr. and Mrs. Tom Snyder and Mr. and Mrs. Herb Krissie of Medford.

Mr. and Mrs. Chas. Miller were on the welcoming and locating committees during the Pendleton Round-Up, for the Wally Byam Caravan. There were around 200 trailers in the caravan and the Millers found them to be pleasant people of the golden age group. Some traveled on to Florida and other points of interest and some were from as far away as Massachusetts. Their motto was "Keep Smiling".

Mrs. Ernest Stephens and Mrs. Howard Fegert spent Tues. in Pendleton.

Leaders of Tomorrow ...

... these will come from a group of young people who are practicing good citizenship today. Such are the 4-H members throughout Morrow county. They are learning the best ways to serve their communities, families, and themselves. By doing, they are discovering new methods of farming and homemaking. The knowledge and habits they acquire mean a better America.
