We Salute the Leaders of Tomorrow . . . Our 4-H'ers

Head... Heart... Hands... Health...all pledged to better America

4-H'ers. They're today's young folks – working for a better tomorrow. Encourage their efforts, help them meet the challenges of the future. Their goals are to better our community – to keep America great. They acquire knowledge through experience.

They're determined to keep the wheels of progress turning. These young people with high standards are our boys and girls. We take pride in them because we know their worth.

Our deep appreciation to the individuals, firms and organizations who supported the 4-H program in so many ways - Summer School Scholarship Donors, Livestock Buyers at the County Fair Livestock Auction, those who provided trophies and other awards, and all others who have supported the program throughout this year . Appreciation is also extended to the parents who stand behind and encourage the 4-H'ers of Morrow County.
