**Veterans Day**

Throughout the United States there are more than 28 million Americans—men and women—who have served honorably in our armed forces during the four wars of the 20th Century. These are the Nation's war veterans whom we honor this Veterans Day 1972.

These 28 million living veterans have written chapters of history underscored with valor in thousands of obscure places throughout the world—places such as Chateau Thierry, Belleau Wood, Omaha Beach, Guadalcanal, Inchon, Pork Chop Hill, the Mekong Delta, and the Au Shau Valley.

In the finest tradition as set forth by our founding fathers, these gallant Americans have served with honor to uphold the cause of freedom and individual dignity. They have witnessed the wanton waste of war, they have known the savage terror of battle, they have felt the frustration of loneliness and boredom wrought by separation in both time and distance from loved ones.

Through their sacrifices they have forged a mighty tradition of service by the citizen-soldier in behalf of the national purpose. Through their performance of duty, America's veterans have fulfilled the greatest obligation of their citizenship.

Their courage, their devotion, and their sacrifice have earned our earnest respect, our highest admiration, and our heartfelt gratitude.

But service to their country and mankind did not end with the exchange of military garb for civilian clothing. Upon their return to civilian life, America's war veterans have demonstrated an exemplary stability and responsibility in our society, reflecting their great respect for the heritage of their citizenship and their sincere desire to work for the betterment of community, state, and Nation.

On this Veterans Day 1972, we salute the men and women who have answered our country's call to meet the threat of an armed aggressor. Let us observe this holiday with a reaffirmation of pride in America and rededicate our support to this Nation's quest for world peace with honor.

We here in Morrow County can help give greater meaning to this day through our active participation in its observance. The least of our participation should be the display of our country's flag by every household and business firm.

**Save your home from fire**

Last week was National Fire Prevention Week. Fire Chief Forrie Burkenbine reminded us Monday that all of us should make each and every week Fire Prevention Week.

A little care around the house, making sure flammables are kept from fire, electric wiring is good, things are kept away from stoves and furnaces, will help a lot in keeping the devastation of fire away from your home and business.

**Serial Levy vs Bond Issue**

There are many schools of thought on Serial Levy vs Bond Issue. In thinking of ways to finance the proposed improvements in the school district's Long Range recommendations there are advantages and disadvantages to consider on both Serial Levy and Bond Issue.

We feel it would be least painful to use a Serial Levy on the first part of the project.

According to Schedule 1 a 3-year serial levy of 1.69 per \$1000 TCY would raise \$150,000 each year which would pay the first year improvements planned on the Old Gym at AC Houghton, on the Jr. High and shop at Heppner and at the elementary building at Lone.

The same amount the next year would build 4 new classrooms at AC Houghton. The same amount the 3rd year would build 4 classrooms at Riverside High School.

This would finance these improvements nicely without having Bond levies piling up on one another.

We would find a 10 year Bond issue palatable for the balance of the Long Range projects. This would take advantage of the practically assured increase in TCY in the county due to improvements in the north end of the county.

SERIAL LEVY		BOND ISSUE	
<b>Advantages:</b>		<b>Advantages:</b>	
1. Pay as you build with no district indebtedness.		1. All funds available for immediate use.	
2. Money collected draws interest until used.		2. Lower cost per year to taxpayers.	
3. All tax money collected is used for construction and not interest.		3. Future increase in TCY help lower the cost to other taxpayers.	
<b>Disadvantages:</b>		<b>Disadvantages:</b>	
1. Normally used in limited construction programs due to smaller amounts of money available each year.		1. Cost of interest results in a great deal of tax money collected not being used for actual construction.	
2. Tax rate is heavier each year as the money is collected over a shorter period of time than is the case on a bond levy.		2. Period of pay back time may cover several years and result in several bond debt levies being made at the same time. This could result in the bond debt levy being as high as a continuing serial levy.	
3. Fails to take advantage of any long range increase in the true cash value of the district.

**REMEMBER THIS? . . . REMINISCE!**

57 YEARS AGO . . . 1915

Andrew A. Stamp receives mortal wound from pitch fork he had used to prod a horse. The horse kicked back and sent the fork flying in the air and one of the tines struck young Mr. Stamp in the neck and pierced his wind pipe. He was 21 years old and with his brother Roy was farming the Dutton land west of town.

Three hundred people from lone, Morgan and Cecil and country tributary to these communities gathered at the Pete Benson farm eight miles north of Ione last Sunday and conducted a two-hour raid on rabbits which resulted in nearly 700 of these pests being slaughtered. Whit Palmateer of Morgan had charge of the drive.

Joseph P. Williams, city recorder and pioneer of Heppner commemorated his 79th birthday anniversary last week at the Palace Hotel Grille with an elaborate dinner. The party was made up largely of Mr. Williams' young lady friends and those gathered at the festivities were Mr. Williams, Harold Cohn, and the Misses Mary Farnsworth, Ruth Van Vactor, Sybil Hager, Lula and Lela Campbell, Josephine Cameron, Vivian Cox, and Josephine Richardson. The dinner was served in courses and Mr. Williams proved himself to be an entertaining host.

The Hibernians at their meeting on Sunday, Oct. 18, decided to hold an invitational ball on Nov. 19, and the following were appointed floor managers: John Kenny, John Brosnan and John McDevitt. The prospect for initiation of a large class of candidates on Sunday, Nov. 21 is very encouraging. The degree work on this occasion will be done by the local teams. A supper will be served on the evening of initiation day.

57 YEARS AGO . . . 1915

The long expected company of men for the CCC camp is due to arrive in Heppner Monday next, according to a wire received by Millard Rodman, Conservationist chairman.

The full program of work for the camp has not yet been completed but the first undertaking will probably be gully control work on Willow and Hinton Creeks. On the Hanna ranch on Hinton Creek and on the Frank S. Parker and Wightman Brothers farms on Willow Creek plans are

**Mrs. Jones New Member DKG**

Mrs. Lorena Jones was initiated as a member of Iota Chapter, Delta Kappa Gamma, at its September meeting. Delta Kappa Gamma is an International Honor Society for women teachers. Iota Chapter includes members from Morrow and Umatilla counties.

Also initiated were Mrs. Armita VanGorder of Stanfield and Mrs. Charlotte Hill of Hermiston. The impressive ceremony was conducted by Mrs. Marjorie Leisegang of Hermiston, president of Iota Chapter, in the Vert Club Room in Pendleton.

Also attending the meeting from Morrow County were Mrs. Velva Becholdt and Mrs. Rachel Dick, of Heppner; Mrs. Bernice Struckmeier, Mrs. LaVern Partlow, and Mrs. Zoe Billings of Boardman; and Mrs. Ruth Bentley of Irrigon.

Iota Chapter's program theme for the year is "Culture in Changing Times." Topic No. 1, "Tangibles That Fuse a Culture," will be presented at the October 21 meeting at the Hermiston Elks Club.

**Mrs. Bailey Here**

Mr. and Mrs. Everett Stout of Olympia brought Mrs. Stout's mother, Mrs. Mary Bailey up from Glendon Beach for a few days. They took in Mrs. Bailey's geraniums and prepared her home for winter. Mrs. Bailey returned to Glendon later in the week where she is caring for her twin sister, Maggie Reynolds at the home of another daughter, Mrs. Reynolds is showing improvement following a stroke.

**Hoppers Move**

Mr. and Mrs. John Hopper moved Sept. 21 into an apartment at 235 Center St. Those helping were Mr. & Mrs. Robert Hopper and Myrtle Stratton from Hermiston, Mr. & Mrs. Ray Britt from Spray and Mr. & Mrs. Burke Gentry from Heppner.

Since then they have had as dinner guests Mr. and Mrs. Lyle Potter, Zorietta and Shirly from Spray, Mr. and Mrs. Walt Coffman and Russel from Hermiston, Mrs. Ray Britt from Spray, Maida Britt, Mrs. Burke Gentry and Dawna from Heppner.

**Open House' and Visit with Senator Ken Jernstedt**

at Dorothy Kennedy's 'Depot' Sunday, Oct. 22— 4 P.M.

**BOARDMAN**

Tuesday, Mrs. Marvin Lucas and son Cliff went to Heppner for business and shopping.

Surprising as it may seem, most foods can be cooked with less water and less heat than most people expect. More water simply uses more electricity without producing better results. One quart to one-half cup of water is as much as you should use in most cases.

Cover your cooking dishes tightly, and cook on High Heat only until the water begins to boil. Then reduce heat to Low. Your food will cook just as fast, and you'll avoid the risk of overcooking or burning.

**Senior Class is selling Homecoming Mums \$3.50**

**Spray Man Indicted**

Jack Jenkins, service station owner at Spray, was indicted Monday by the Wheeler County Grand Jury of first degree assault in the Oct. 10 shooting incident. Then he was arraigned in Judge Campbell's Circuit Court at Fossil under agreement that Mr. Jenkins would post a \$1000 property bond by last night.

The case stemmed from an incident at the Jenkins Service Station when Charles Shelley of Portland was alleged to have been shot by Mr. Jenkins in an altercation Shelley was wounded in the groin and was recovering in the Prineville Hospital. Mr. Jenkins had reported that Shelley was coming after him with a tire iron.

**Save Wrappers**

Mrs. Morris' 4th Grade Class is collecting labels, wrappers, and packages from companies that will contribute cash to the Treat of Life for UNICEF program. The following wrappers, labels and packages would be appreciated. Please send to school or give to a student. The project will continue until Dec. 1, 1972.

1. Kool-Aid Brand Soft Drink packages.
2. Label from Welch's jam, jelly, or preserves.
3. Front panels from Royal Dessert.
4. Empty wrappers from Willy Wonka's Super Skrunch or Willy Wonka's Peanut Butter Oompas.
5. Front labels from Swift's Premium Franks.
6. Outer package wrap of Clarks chewing gum.
7. Cap n' Crunch cereals.

UNICEF—United Nations Children's Fund is a worthwhile project devoting itself to the welfare of many children around the world. The Bangladesh emergency relief program for 72 is one of their largest undertakings this year!

**Boy Scouts**

There will be 18 Boy Scouts of Troop No. 661 at the Herman Winter cabin on Oct. 20-21. The boys will spend two nights camping out. They will work in some hiking requirements. The boys will be accompanied by Herman Winter, Dail Turner, Del Piper, Glen Ward and John Gochbauer.

Anyone with Scouting equipment that belongs to the troop and equipment they no longer have a use for and wish to donate, are asked to call one of the Boy Scout leaders. The boys are greatly in need of more camping equipment. Do you have tents, shovels, axes, lanterns, mess kits, cooking equipment, packs what have you?
