Oscar Peterson to be honored

Former County Judge Oscar Peterson will be the recipient of honors tonight at the annual banquet of the Pacific Northwest Waterways Assn.
Presentation of a life membership in the Association will be made by Thomas Guerin, president. Selection is made after careful study and consideration of dedication to the Association principles, length of membership and faithful service and many other factors.

Mr. Peterson was born in Gooseberry, Ore. nearly 80 years ago on the farm homesteaded by his Swedish immigrant father.
He has been an active leader in Ione and Morrow County affairs for many years and is a commissioner of the Port of Morrow County. He served for eight years as county judge and has been active in Grange work, the Columbia Basin Electric Cooperative, the Oregon Wheat Growers League, the Heppner-Morrow County Chamber of Commerce. He is a deacon of Valley Lutheran Church, a Royal Arch and Knight Templar Mason and a member of the Ione Lions Club.
It is interesting to note that two great resource leaders came out of the Ione area, for Oscar Peterson and the Association long-time president, Charles Baker, were high school classmates.
In the Old Inland Empire Waterways Assn., Oscar played a leading role, serving on the executive committee, board of directors and many other capacities. He has been a factor in the Willow Creek Project.

Be Careful!

Ione American Legion Post No. 95 suggests that all our little trick or treaters should wear light-color costumes or some reflective tape on their clothing. Mr. Motorist, please be extra careful and watch for the little ghosts and goblins. In all their excitement, they are apt to be careless. So be extra careful, please.

ALFRED DRAKE in a Navy School at Idaho Falls was home over the weekend. He stopped by to visit his grandmother, Mrs. Emma Drake while he was in town.

Mustangs Bust Redsides

By GREG GREEN
Wasco County surprised Heppner on their first series of plays by scoring on a 62 yard pass play. The score seemed only to aggravate the Mustangs who immediately bounced back and won the game 47-7.

To show how quick the Mustangs recovered Karl Harrison ran 62 yards on Maupin's ensuing kickoff, Dale Hedman took it from there to the goal on the first play, scrambling 35 yards for the TD. A two point conversion score followed.

Everyone is cordially invited to come on up to Heppner and meet your friends, browse around and see the action.

Heppner scored a few minutes later on a 6 yard run by Quarterback Jerry Gentry. The conversion failed.

Maupin fumbled the ball on their 9 yard line where Randy Morris recovered it for Heppner in the 2nd quarter. Mike Bergstrom ran it in on the following play to make the halftime score 20-7.

The ball changed hands 3 times in 3 plays, one Dale Hedman intercepted a Maupin pass, only to be intercepted by the Redsides on the next down, then Karl Harrison picked off a Redside pass on Maupins following play.

Heppner drove the ball to the three yard line when the halftime gun sounded.

Gentry passed to Jack Chitty in the third who ran it 47 yards to the one yard line. Bergstrom scored in the following play.

A little later Dale Hedman scrambled 16 yards for another Heppner TD, making defense in four plays first and goal.

Dave Eckman intercepted another Maupin pass and ran it 85 yards to the goal line. Gentry passed to Allen McCabe for the two point PAT.

Then at the sound of the gun Clayton Wilson was already on his way for a 61 yard Heppner final TD. Rick Drake kicked the extra point.

Heppner rushed for 290 yards while Maupin came up with minus 40 on the ground and 72 passing.

Allen McCabe led Heppner rushing with 74 yards and Mike Bergstrom followed with 66.

Jerry Gentry completed 9-13 passes (.696) for 115 yards. McCabe had three receptions and Dale Hedman, Dave Eckman and Jack Chitty each had two.

Bill Jepsen led the defense with 14 tackles and a fumble recovery. Jim McLachlan had 11 and Randy Morris had 11 plus a fumble recovery. Matt Greenup who led Heppners defense last week in Heppners win over Pilot Rock led the game early in the 1st quarter due to injuries.

Heppner will meet the Sherman Huskies (1-3) next Friday for the Mustang's Homecoming.

Boy Scouts Earn Badges

Eighteen Boy Scouts from Troop No. 661 spent two days and nights "roughing" it and having a great time. The boys left Saturday evening for the Cutsforth Park area and hiked in one and a half miles to the Herman Winter cabin, packing their own gear. All 18 boys earned and completed merit badges for camping and hiking. A requirement for the camping badge was that the boys plan their own menus and cook all their own meals - which they did! To qualify for the hiking badge they had to hike five miles. So, just to be certain, the boys hiked about 10 miles, to the tops of both Little & Big Baldy. They were all proud of that feat and

earnfully so. The boys worked on Forestry badges and almost completed them except for one minor detail. They had to identify 15 local trees and everyone was dismayed to learn that after identifying everything they saw, right down to the "Oregon grape", there just were not 15 different trees!

There were council fires in the evenings and one evening the boys were joined by a chorus of local coyotes - after which many young men thought sleeping in the cabin was a good idea.

The boys were accompanied by leaders Herman Winter, Dail Turner, Del Piper, Glen Ward and John Gochnauer.

Grass vs Weeds is battle for Irrigon Fire Station

The Irrigon Fire Station now has a lawn and sprinkler system, thanks to 12 4-H members and adult leaders who met at the station Saturday for a work day. This was a continuation of the Community Pride project to landscape the grounds around the building.

Preliminary ground work was done by Mayor Chester Wilson with the city backhoe. He installed 6 sprinklers which will take care of the present needs for watering the newly planted lawn. 4-H members came at 2 o'clock

and raked the ground to clear it of rocks and weeds and helped to fill in the trenches over sprinkler pipe.

A number of evergreen shrubs were planted last spring. Not all of them survived the summer heat but most are alive and growing, thanks to fire chief Don Adams and Mayor Chester Wilson who watered them by hand through the summer.

The Community Pride 4-H Club is sponsored by the Standard Oil Co. of Calif. in co-operation with the Oregon State Extension Service.

Swift and sure are the ends on Varsity squad: Jack Chitty and Dave Eckman.
