

### TOPS Clubs Host Recognition Day

The theme for Morrow-Gilliam-Wheeler TOPS Clubs' 1972 Fall D.R.D. (District Recognition Day) was AUTUMN'S IN-THINK THIN. The evening of low calorie, but delicious, food, much fun, earnest education, and deserved recognitions was held at St. Patrick's Hall on Thursday last. Over fifty, mostly women members, attended from the six participating clubs. Heppner's club won the coveted BEST LOSERS PLAQUE, and Heppner's Irene Nolan was the district's best loser.

Ione's club designed and constructed the colorful programs for the event. The Lexington Club did the decorating. The three Morrow Clubs provided the dinner for their guests. The program was directed by Chris Nix, Condon, who is district captain. Fern Christian, TOPS supervisor for the Eastern Oregon Area, spoke as an honored guest. She asked everyone to be thinking about State Recognition Day next May 17 and 18 in Pendleton's Armory and Happy Canyon. She stated that more than 1900 TOPS would gather in Pendleton in 1973, surpassing the attendance at Coos Bay in 1972.

**Losers Are Winners**  
District Captain Chris Nix revealed that the carefully kept records of weight loss showed two division winners—

Mary Doherty, Lexington Club and Irene Nolan, Heppner Club. Two other club winners present to receive best loser honors were Wanda Johns of Condon and Janet Lindstrom, Ione. Two were elevated to KOPS in Waiting status — Ione's Janet Lindstrom and Heppner's Lilly Wilson. The best loser for the period leading up to this recognition day was Heppner's Irene Nolan who had a documented loss of 17½ pounds.

**Skits Presented**  
Group singing was led by Ione's Helen Pettyjohn with Margo Sherer at the piano. Three amusing and educational skits featured members from Condon, Heppner and Lexington. Condon presented "The Tater Family" which told of members' strengths and weaknesses. Heppner did "The Low Calorie Birthday Cake" with Peter Sundin as father, Donna Sundin as mother, Lilly Wilson as son, and Irene Nolan and Karen Springer as daughters of the family. Lexington members appeared in red outfits carrying sharp prods to conduct an "Imp Committee Meeting" which clearly demonstrated how to keep an organization from functioning successfully.

Father Raymond Beard who joined the dinner group, entered into the spirit of the organization by including

appropriate thoughts in the invocation he offered: "Lord help these persons to reach their weight loss goals, help them to enjoy losing weight even as you help them with other human problems."

Mary Doherty, Bebe Munkers and Charlene Papineau, Lexington Club and Irene Nolan, Heppner decorated the room and the tables and prepared gay autumn leaf name tags. A successful "What Not" sale table was supervised by Lexington's Lou Crum and Charlene Papineau which brought extra cash into the district treasury.

### Home Bakers Get 3-months Reprieve

Bakery items produced by home bakers can be sold in Oregon if it is on an occasional basis and at the place of sale there is a sign or placard informing consumers the product is not from a licensed bakery.

These restricted sales are permitted under an Oregon Department of Agriculture regulation that became effective October 20, 1972. The action followed a September 14 hearing in Salem, which was requested after the department had announced its intention of promulgating such a regulation unless a public hearing was requested by 25 or more persons.

**At Postmasters Meeting**  
Mr. and Mrs. James Driscoll were in Pendleton last Thursday where Postmaster Driscoll attended a Postmasters meeting. In the evening they were dinner guests of Mr. and Mrs. Ralph Richards. The Richards formerly lived in Heppner when he was in Soil Conservation Service. He is now employed at Frazier Book Store.

It may be true that hard work never killed anyone, but you never heard of anyone relaxing to death, either.

### GRADE SCHOOL OPEN HOUSE DEEMED SUCCESS

Mr. Don Cole reports that the open house held Oct. 25 at the grade school appeared to be very successful. He said that there was a little apprehension beforehand because this was a new method of visitation which had not been tried here before. There was at least 40-45 percent representation in the school as a whole with some rooms reporting almost 100 percent. The cafeteria served about 50 extra adults and about 15 pre-schoolers "visiting" with mom and dad. Coffee and cookies were served in the grade school building and everyone, students and parents alike, seemed to be enjoying this day at school.

Mr. Cole says he would remind parents that they certainly do not have to wait for a special visitation day, but are welcome and encouraged to visit their children's classrooms at any time they wish.

Teresa Hughes' horse spooked recently and she got thrown and received a bad sprain.
