

Marquardt's Sing Songs Of Wedding At Anniversary

Many friends and members of their families attended the 25th Wedding Anniversary of Mr. and Mrs. Bill Marquardt Saturday at the Church of Christ in Lexington. Especially enjoyed were the musical numbers, "I Love You Truly and Because" both of which were sung at their wedding 25 years ago. Mrs. Carl Marquardt accompanied Carlita, Lolita, Joyce and Sherrice as they sang "I Love You Truly and Lolita as she sang Because."

Charma Marquardt modeled her mother's wedding gown of white slipper satin. The ruffled yoke extended in the back to a detachable peplum. Carlita baked and decorated the cake similar to that of the cake cut by the bride and groom 25 years ago. The center was a 4-layer square with double layers on all four sides forming a cross. It was frosted in white with pastel flowers.

The children who hosted the reception had their grandfather re-upholster their Dad's favorite chair. The chair covered in a rich brown naugahide looks like new. They also were presented with a silver punch bowl along with many other lovely gifts.

Here For Hunting

Bill Blake was up from Portland last weekend to visit his mother, Mrs. Snoda Blake. He and his brother-in-law, Paul Heinrichs went elk hunting. Bill teaches at Portland Community College.

MCGG

The Monday night MCGG dinner was up to all expectations. Those Grange people are good cooks. The speaker was so positive and talked on my level and on top of that I nearly went into a state of shock when they called my number for a door prize. An evening that left everyone with a good feeling.

It was so funny. When Larry Lindsay read in the minutes of last year's meeting that the business meeting started at 8:10 p.m. everybody at our table looked at his watch and would you believe...it was 8:10 again this year.

FOOTBALL

When the score started climbing in the Maupin game, the coaches did something that pleased me mightily. They put in the 2nd team... maybe it was the 3rd team. Anyway the little guys got to see some action. I just can't imagine Clayton Wilson having a bigger football thrill than when he made that 1-0-n-g run for a TD. The gun sounded the end of the game but he was already on his way. And how he did pick them up and put them down. It just made my hair stand on end, I thought it was great.

MORE FOOTBALL

Heppner's football season is over so now we can all go to Lone on Nov. 18 to watch the Cardinals play the winner of the Huntington - Crane game this weekend. This should be a good game to watch.

THEN THERE'S HARVEY

If you're not going out of town for Thanksgiving, treat yourself to an evening of hilarity and see Harvey, the first Community play this winter. There's some old and new members in the cast and you can count on a super production when Jane Rawlins is directing.

MORE FOOTBALL

I am delighted to see the Football banquet with the awards being made. It's one of my pet peeves to have it announced in the spring who the most inspirational football player was. By then it is so late I could care less.

Mental Health Director Arrives

David Mitchum Director of Morrow County's Mental Health Clinic arrived last week and is acquainting himself with the people and the area. The decision has not yet been reached where his office will be.

The Mitchums have come to Heppner from Madera, Ca. and are liking the slower pace of Eastern Oregon. Mr. Mitchum was born at Springfield, Mo. but when he was 16 years old the family moved to the east coast where his dad filled an educational position in Philadelphia.

He returned to the midwest to get his degree at Drury College at Springfield in Sociology and Psychology and his masters from the University of Missouri in Social work. He has worked in Mental Health agencies for 10 years in Missouri, Kansas and California.

He has many likes. He likes fishing, photographing people, family and friends, making music. He at one time played the violin and both he and his wife would like to learn to play the guitar.

He is amazed at many things the native east Oregonians take for granted. The very blue skies, the clean air, the streams and rivers still so

clear. Both he and his wife love the mountains and driving to the mountains as they have watched for and seen deer, partridge, pheasants, chukkar and other wild life.

Mrs. Mitchum whose given name is Karen grew up in Spokane. She has her BS degree in social work and she too has worked in Mental Health Clinics. She likes to sew and has a very green thumb.
