Peterson's Grand Opening Friday & Saturday

Randall and Marlene Peterson cordially invite everyone to help them celebrate completion of their remodeling of Peterson's Jewelers here at their big Grand Opening on Friday and Saturday.

There's no obligation to register for some valuable free prizes: 1st, a diamond necklace. 2nd, a Caravelle watch. 3rd, a wall clock. And there will be free ballpoint pens for everyone.

And what's more - coffee and homemade cookies served all day. And look at this: champagne punch served from 2 to 4 p.m.

The store is a wonderful addition to Morrow County's fine business establishments. The remodeling is the culmination of lots of hard work, a pretty difficult thing to be doing while the business was operating as usual. Everyone joins in saying "Well done" to Randall and Marlene.

Peterson's Jewelers has a rich history as is illustrated in this story from the Heppner-Gazette edition of Mar. 8, 1928:

Disposes of Business Here

E. H. Buhn, who has been engaged in the jewelry business at Heppner during the past two years, has disposed of his business to J. O. Peterson of Pomeroy, Wash., who took possession on Monday. Mr. Peterson comes to Heppner well recommended as a watchmaker and repair man, having been in the employ of a jewelry firm in Pomeroy for the past three years or so. Mr. Buhn reluctantly leaves Heppner, where he and Mrs. Buhn have made numerous friends during their sojourn of two years, but he was enabled to better his business relationship by taking the management of the large jewelry establishment of his brother at Boise, Idaho, in which he purchased an interest, hence the change at this time. Mr. and Mrs. Buhn and their son Edward will leave the coming week for Boise, where the best wishes of their Heppner friends go with them.

Shortly after this, Mr. Peterson started a regular advertising program that has been continued unbroken. Forty-two years after buying this business, his son, Randall, advertises each week in the Heppner Gazette-Times.

Here's an ad that appeared Mar. 29, 1928:

To the Editor:
Re: Voters of District No. 55

In opening we would like to state that we have just concluded one of the most rewarding experiences of our lives and look forward with anticipation to more of the same in the near future.

We owe a huge THANK YOU to many of you who are reading this for the reward because during our campaign for State Representative-District No. 55 you were the greatest. Also, we want to extend a personal THANK YOU to those who assisted, voted and helped us in any way toward our successful campaign.

Activity has already started. The Democratic Caucus has met and selected its candidate for Speaker of the House. Found this very interesting. Will be meeting in December for a three day, legislative orientation session. Will be working on committee assignments before session begins 8 January 1973.

We have been in contact with your Senator, Ken Jernstedt. Together we are planning meetings throughout the district after mid-December. We would like for you to watch for an announced date and plan on visiting with us then on any matter of concern you may have.

The interests of District No. 55 will be best served if we can hear from you. Won't you please contact us on matters of interest? Please feel free to do this at any time.

Will do the best job possible and thank you again.

Sincerely,

Jack Sumner, Rep. Elect

The Morrow County Jaycees are in trouble! This has often been heard in the last few months but now it is more important than ever. The critical area is membership, or rather the lack of it. But whatever the project or cause, the main goal has been to help the community.

Now we need a small measure of help from the community in return. If you are a young man between the ages of 21 and 35, and desire to live within the community instead of off the community, please call Bill Lande, Secretary, at 676-9752.
