## NEVER LET IT BE SAID

Have you had people say to you, "What ever do you find to do with your time in Heppner?"

While the Thanksgiving holiday weekend wasn't exactly typical, there was top drawer type of entertainment of a wide variety of enjoyable things to see and do.

Starting Wednesday evening, the churches sponsored a union Thanksgiving Service that focused thoughts on the real reason for Thanksgiving.

Friday and Saturday evenings the Heppner Community Players presented the play "Harvey". Truly an evening of total enjoyment. Saturday afternoon the State Champion Football game was played in lone under sunny skies.

Saturday night the college and high school kids danced at the Heppner Fair Pavilion to the Western Gentlemen.

There's things to do if you look for them or make them yourself. It doesn't really matter where you live and Heppner is a good place to live. And so is the rest of Morrow County.

## LETTERS

Mr. Charlie Heard  
Gazette-Times  
Heppner, Or. 97636

Dear Charlie and Dorothy,

I want thank both of you for the excellent job you did election night. My thanks also to the people who helped you. Morrow County was one of our best reported counties.

Thanks very much for your patience with the many phone calls and the stacks of forms and instructions.

It has been a pleasure to work with you this past year, and I look forward to 1974 when we crank up OES again and count votes together.

Happy Holidays!

Yours truly,  
Gloria Lusby  
Ore. Election Service

Dear Editor:

I received a letter from Vienna, Austria yesterday which took me back many years and which said "Dear Aunt Josephine. Many hearty thanks for the sweet small package. My grandchildren got the contents.

Christmas will come soon and I will never forget the moment we received your first gift package "The Story of Jesus" at Christmas, 1948 in the so very bad after-war period. I kept this book as a souvenir.

I sent a Christmas candle to you yesterday and am hoping it will arrive with you still before the 24th of December. Please light it then and think of us. Our thoughts will also be with you on this evening and thank you most heartily for all you have done for us.

Kindest greetings from Vienna from all of us.

Mimzy"

I remember those years when I got the name of this family who was left stripped of everything after Hitler's hordes. I helped keep Mimzy and her three children in food and clothing for years. I remember how dear old Heppner practically stripped themselves to help me. I remember I practically took the dresses off of Hazel Mahoney's back and she let me. Hazel Vaughn sent coats. Ruth Payne gave me needed shoes when Ruth really needed them herself. One day down at Virginia Turner's I was telling of my need for shoes, all sizes, and Virginia went into the bedroom and came out with a large box and 10 (ten) pairs of shoes all good. There was great rejoicing when this all arrived in Vienna. I had food sent from New York City, cheaper than I could do it.

Mimzy was in a Concentration Camp for assisting a Jewish family to cross the border, but fortunately our American boys came in and rescued her so America to her is a place of love and freedom.

Most Sincerely,  
Josephine Mahoney Baker

planned to stop in Eugene for a couple of days to visit friends among them Virginia Crawford Turner. She will spend a few days with her sister, Evelyn, in Redwood City and a week with her daughter Betty Gardner and her husband in Burbank. I'm sure you have her address so she does not miss her paper.

**CHUCK WAGON**

The outcome of the lone-Alexa championship game was not in agreement with our fond hopes. Yet, it was a real hard fought game and the score really didn't reflect the hard fighting heart the Cardinals put into it. It was well worth the admission price giving the audience plenty of real thrills.

All kinds of things are in store at the basketball games here this winter. At the games here the Sophomores will sell reserved seat tickets. A season reserve seat ticket is \$2.50 extra after the general admission, or you can buy a seat at each game for 25 cents more than general admission.

Besides that the Sophs are having a big free TV set drawing. This is 50 cents per ticket donation and the drawing is to be held at the end of the season.

The Christmas spirit is in the air in Morrow County. Christmas decorations and the big tree will be erected soon. A truck breakdown recently prevented the erection of the decorations last week.

You will enjoy downtown store windows with their lights and gay colors. In one show window, you'll see Santa sound asleep. We listened but couldn't hear whether or not he snores.

## REMEMBER THIS? . . . .

. . . . REMINISCE!

37 YEARS AGO.....1935

W. B. Barratt of Heppner, one of the members of the State Livestock Sanitary Board and vice president of the Oregon Woolgrowers' Association, was elevated this week to the presidency. He was appointed just before the 18th annual convention came to a close.

The city election has come and gone and after the votes had been counted it was found that S.E. Notson, county school superintendent, and for the past few years city attorney, is the choice for mayor of Heppner. Mr. Notson beat Mr. Barratt by a margin of five votes.

Shoppers are reminded this week that the Christmas season is at hand. Wise buyers should shop early and not overlook the fact that the local merchants, with a view for satisfying the every wish of the customers, have placed in stock goods that cannot fail to please the most exacting buyer.

A post-election row in Pendleton Monday night resulted in a near-riot, and the police were forced to hold the crowds back with guns.

37 YEARS AGO.....1935

Heppner's application for PWA funds with which to replace one and a quarter miles of pipe line in the lead main down Willow Creek was allowed this week, according to a telegram received from Sen. Chas. McNary. The project calls for an expenditure of \$12,727, \$7000 of which will come in the form of a loan from the government and \$5,727 as a grant.

There will be a public dance this weekend, with the benefits to go towards the construction of a tennis court at the school which will be open at all times to the public.

The two percent sales tax measure to be voted on at the special election next January did not meet with popular approval at the Heppner Lions meeting Monday. Though sympathy was expressed with the purpose of the tax-that of raising funds with which to cooperate the federal old-age pension act--opinion did not favor this method.

Season basketball tickets are on sale this week from any member of the squad. The tickets will enable the holder to see nine, or possibly more, games this year. They are well worth the price--50 cents for students and \$1.25 for adults.

1 YEAR AGO.....1971

Superintendent of Morrow County schools, Ron Daniels, was elected president of the Oregon School Activities Association at their annual meeting. The group is responsible for conducting all play-offs and championships and for making eligibility requirements.

New barber in the Heppner area is Howard Denton, who is working in the shop that formerly belonged to Lyle Jensen.

Orville Cutsforth is keeping a close tab on Lake Penland now forming behind Cutsforth Dam. Orville reported this week that there is about 2 feet of snow in the area and, full of hope, added, "It just may fill this year."

It was announced this week that there will be a public meeting to discuss, pro and con, the proposed flood plain for the Heppner area and whether or not it is needed. Later in the week, Mr. Youngman, with the firm of Groff and Clark, will meet with the City Council to discuss Heppner's bridges and the pool. Mr. Youngman announced this week that he will have specifications ready to present to the council.

## BOYS CAUGHT IN THE VEIL

A series of petty thievery cases was recently cleaned up with the apprehension of four juveniles whose careers were cut short.

There had been two attempts at break-ins at Thomson's Grocery and a break-in at Court Street Market. Nothing was found missing at those places. These were night "jobs". At quitting time recently the lads stole some beer at Central Market. Their sweet teeth got them into trouble when they stole four 2 pound boxes of candy at Murray's Drugs. The latter two thefts were "daytime jobs".

Officer Bert Corbin said that it seemed to him that crime is more trouble than it's worth to one and all.

Conclusion of Morrow Wheat League resolutions recently adopted at their meeting. These will be presented to the State Convention in Portland starting Dec. 4. (Continued from Page 4, second section).

2. We want continued research on feeding of wheat and barley to livestock through cooperation of Oregon State Extension Service and funding through the Legislature.

3. We should continue efforts to obtain funds for research on the feasibility of blending grain alcohol with gasoline so a cleaner burning fuel can be produced and to alleviate any future fuel shortage.

4. We recommend that research be initiated or continued on the following projects:

- a. Synthetic rubber, plastic and bonding agents from cereal starches.
- b. Developments of paper and cardboard.
- c. Production of activated charcoal from wheat.
- d. High yielding feed grain varieties.
- e. Develop information on the value of wheat in preventing high cholesterol.
- f. Development of a method for cereal grain as a source of industrial energy.
- g. Use of wheat in the brewing of beer and other beverage spirits.
- h. Wheat for lightweight concrete.

We feel that licensing arrangement should be made so that the above developments can be put into actual use.

5. The Pacific Northwest Crop Survey should be continued and the use of Neo Tec Protein tester be used by local A.S.C. offices in determining protein content on farm stored wheat.

6. We encourage research on industrially produced high protein food concentrates for human consumption and pet food; also production of fortified wheat products, including lysine fortified bread flour.
