4-H

MERRY MIXERS

The second meeting of the Merry Mixers 4-H Cooking Club was held November 14, at the home of our leader, Mrs. Pat Pettyjohn. Four members were present.

First we discussed the ingredients that constitute a yeast bread. From the drawing board we went to work with the actual dough. Our leader had prepared a sweet dough beforehand and it was ready to knead. We kneaded the dough and placed it in the oven to rise. Kathleen McElligott then prepared "No-knead French Bread."

While the dough was rising we talked about our next meeting. We decided to prepare another yeast product. We found a no-rise roll recipe and planned a meal around it. For our next meeting we will have: Hawaiian medley, chow-mein noodles, green beans and water chestnuts, hot rolls, orange marmalade, and ice cream balls rolled in coconut for dessert. This authentic Hawaiian Luau menu fits in with our foreign foods project book.

Our leader served All-American chocolate chip cookies, donuts, and Russian tea for refreshments.

After this we returned to the kitchen and shaped the French bread and cinnamon rolls. Everyone took an unbaked sample home.

Our next meeting will be on November 28 at the home of our leader.
