PROPERTY TAX FAX
If you have a question concerning real or personal property please state all the facts as briefly as possible and mail it to your COUNTY ASSESSOR under the name "PROPERTY TAX FAX". Please ask only one question per sheet. Then watch this column for the answer.

QUESTION:
We leased some federal land in a bird refuge for a fixed term. The taxes assessed there under ORS 307.060 were not paid and the lease term has expired. Are we still liable for these taxes?

ANSWER:
The Supreme Court ruled that "ORS 307.060 does not directly impose a tax upon the federal government, the tax is upon the lessee. In event that the tax is not paid the leasehold only is subject to foreclosure; the lien does not affect the interest of the federal government fee." Since there is no property which would be includable in a foreclosure proceeding, ORS 311.650 makes the tax in these circumstances a debt due and owing from you.
