Kinzua Plants Trees and Grass

This past year Kinzua Corporation seeded 60,000 pounds of grass seed on approximately 10,000 acres of Kinzua land. The rate of application varied, but the majority of the area was seeded at 8 pounds per acre.

Approximately half the area seeded was in the Rudio Mt. management unit and the remainder in the Kinzua-Heppner area. Western Helicopters contracted to accomplish the job and at one time had two ships in the air in order to beat the weather.

The project started on November 15th and was completed on the 21st. Some down time was experienced due to fog.

Ed Tarnasky, Odel Adams, John Shaw, and Mike Vandehey, Kinzua personnel, were directly involved in the seeding project. Several Monument Grazing Association members also helped in the Rudio Mt. seeding.

Also this past year Kinzua Corporation planted 13,000 Ponderosa pine and 11,000 Douglas Fir seedlings on approximately 80 acres of Kinzua land. Also in addition 80 acres was thinned and approximately 700 acres of logging slash piled.

WORTH A TRY

You don't have anything to lose and you might win four free tickets to the 1973 Rodeo by turning in the winning entry for the 1973 Rodeo Parade theme.

Some people are tired of a Western Theme and would like to have a theme that is all-inclusive like Berniece Lott's theme of several years ago "Happiness is..."

The Parade Suggestion box is still at the Gazette-Times. Anyone can drop in a suggestion by mail or in person until the box is picked up and taken to Peterson's Jewelry.

When stopped for speeding by a patrol car, an unidentified motorist offered this excuse: "This highway is so dangerous that I was hurrying to get off of it."

My wife's been bugging me for a mink for months. I finally promised her one for her birthday on one condition—she has to keep its cage clean.

According to one of the astronauts, colonization of the moon would be practical if basic necessities were available. These include air, gas, water, drugstore and a motel.

"Take a great weight off your mind, try discarding your halo."

"The 'buck' to control spending really shouldn't be passed to the President. If we the people, and our elected representatives in Congress, don't have the guts to raise taxes or cut spending to keep from bankrupting the United States, then that's all she wrote. There is really no one else in a position to do our dirty work for us."

REMEMBER THIS? REMINISCENCE!

55 YEARS AGO.....1918

The lone business district was damaged to the extent of \$75,000 by a fire which destroyed nearly two blocks Tuesday morning. The entire town was not destroyed is a miracle, for at one time the flames were beyond control. It is believed that the shifting of the wind helped the fighters in getting control of the situation.

37 YEARS AGO.....1936

Mr. and Mrs. Lowell Turner made a trip to the mountains the first of the week to enjoy some skiing. They were caught in a snowstorm and their car stalled, making it necessary for them to walk out. In spite of the hard luck they had a good time.

1 YEAR AGO.....1972

The power was off for about 6 hours on Tuesday which slowed business during the wind storm. Winds hit nearly 70 miles an hour in about three areas of the county. Winds were up to 155 miles per hour near Pasco. Umatilla County wind gusts were up to 80 miles an hour.

LETTERS

Attack Squadron 127 Naval Air Station Lemoore, California 93245

December 29, 1972

Mr. and Mrs. Oscar Schlichting P.O. Box 273 Heppner, Oregon 97636

Dear Mr. and Mrs. Schlichting,

I take great pleasure in informing you that your son, William, has been named Plane Captain of the Month for December 1972. William was selected for this award because his outstanding professional performance and military bearing reflect the utmost in excellence.

As a Plane Captain, your son has the responsibility of preparing and checking aircraft for safe flight. He assists pilots in starting the aircraft, performing safety ground checks, and in taxiing aircraft to and from the squadron area. The lives of the pilots of this command are dependent upon the work performed by the Plane Captains.

We at Attack Squadron ONE TWO SEVEN are very appreciative of men like your son. The exemplary behavior exhibited by William is a credit to both himself and you.

Yours truly, T.W. Poore Commander, U.S. Navy Commanding Officer

La Grande, Ore. Jan. 8, 1973

Dear Mr. and Mrs. Heard,

We have decided to start the New Year out right by resolving to subscribe to the Heppner weekly newspaper.

Will you please put us on the mailing list? If the amount I have enclosed is not correct please let me know.

Regards to all, Mrs. Lowell Chally P.O. Box 26 La Grande, Ore. 97630

P.S. At least that is one resolution that was kept!

January 5, 1973

Dear Editors:

Please overlook my tardiness in not subscribing to the Gazette-Times on time. I appreciate your sending it to me. It is something I cannot resist any longer; so here is my subscription along with my best wishes for a happy New Year to you and all your readers.

Sincerely, Father McCormack

Beaverton, Oregon January 3, 1973

Mr. Charlie Heard, Editor Heppner Gazette-Times Heppner, Oregon

Dear Mr. Heard:

Mrs. Josephine Mahoney Baker talked to me the other day. We were friends when I lived in Heppner and was cashier of the Farmers and Stockgrowers National Bank.

A friend sent me a copy of the Gazette-Times and I noticed that the Bookworms Club is still functioning. I was very pleased as they formed the club in my apartment at my invitation. I did not know that it had lasted from 1928. I told Josephine about it and she (unknown to me) sent you an article about it.

I am enclosing my check for \$1.35 for four copies of the paper in which the article appeared at .25 cents per copy and a copy of the Anniversary edition at .35 cent.

Very truly yours, Lillie Alliger Sanderson Rt. No. 1 Box 370 Beaverton, Ore. 99005

Dear Dot and Charlie:

To say the least, I was shocked and amazed to hear the Heppner Council members, all say, on Jan. 2nd at their first 1973 meeting, "WE HAVE NO MONEY TO PICK UP-HOLD-OR-TAKE-CARE-OF-SICK-INJURED-LOST-STRAYED-ABANDONED-OR LARGE-DESTRUCTIVE-DOG-KILLERS!"

Why choose between two miserable alternatives? By saying we have no funds for such expense or just pretend the evil does not exist! What happened to the agreement made by the Morrow County Court last spring stating "that they had made arrangements with Dr. Norene to care for these animals and keep them for the proper time required by Oregon Law?"

Umatilla Co. pays \$250.00 per month to hold and dispose of unwanted pets. This should give the public some idea of how many unwanted animals must be killed each month, in Pendleton alone.

If a steep expensive license fee were imposed on back yard breeders with unsplayed female dogs, as I suggested last spring and enforced it would soon relieve this over population of valueless dog flesh! Tax dollars could be saved and nightmarish suffering of these helpless, homeless, animals could be spared. Also humans could be spared the distasteful, disagreeable job of killing other people's pets in dog pounds.

It's most certainly a shameful disgraceful situation when Randy Lott was given the same old go around, "BUT WE DON'T HAVE ANY MONEY FOR SUCH EXPENSE," when he made the plea to get care for the lost or abandoned dog that had been caught and held in a trapper's trap since before Christmas. From the looks of the horribly mutilated foot the trap had been slowly crushing the food off for a week or more. Even though the problem had been reported a week or so before no action was taken to care for this animal in distress.

Even though I've got more wafers than I need or my Neighbors appreciate me having, I could not resist going down and lifting this big, brave, uncomplaining, brown, part airside into my car with the rest of my mutts and bringing him home to care for him. He was so appreciative of having a warm place to sleep on a bed of saddle blankets, a good big warm dog stew for supper-aspirin tablets-to help relieve his pain-penicillin tablets-and having his hind foot soaked for 20 minutes at a time in hot epsom salt water, twice before bed time.

To my astonishment! he amazed me with his intelligence, by soaking and dunking his damaged foot during the night and the next day in his gal. of drinking water. As the black rotten decomposing flesh soaked off, the bone showed through from both sides of his foot, where the incredible torturing device had slowly pinched the flesh off down to the shining white bone. Can anyone imagine any thing being more painful? JUST SUPPOSING IT HAD BEEN YOUR FOOT OR HAND CAUGHT AND HELD TIGHT IN SUCH AN ABOMINABLE, EVIL, CRUEL, STEEL, SPRING TRAP!!

Funds or not for such a purpose I ask Dr. Norene to amputate the decomposing limp dangling bloody foot and save it for me, to be able to exhibit as evidence of what one of man's cruelest inventions will do to tame or wildlife.

I'm glad to be able to state that Florida has outlawed the use of the despicable instrument. WHY CAN'T WE?

Dr. says, "Freckles was one of the best patients he ever had, never howled or barked a complaint about anything."

Stop by if anyone is interested in savage trapping facts and have a look at the amputated foot. Better still lift your pen finger and voice your approval of a bill to outlaw the heathenish snap trap to our new State Rep. Vera Katz, Portland, State Capital, Salem, Ore., 97310. Also a line to your National Legislators would help to get this barbaric device outlawed.

Let us throw off the chains of apathy and inertia, and inaugurate these laws to protect the helpless creatures from needless suffering.

It seems the ruthless trappers need to be reminded that traps cannot go unattended for long periods of time. It would also be more admirable to get permission to trap before going on farmer's land.

Humanely Yours, Lois Winchester

To The Editor: "Peace is at hand". Comforting words at a critical time in the history of both Vietnam and America. Incredible, yet within 6 weeks the United States had launched the most massive, devastating bombing attacks in the history of mankind. Does this tiny underdeveloped country constitute a threat to our way of life or are our exterministic attacks a form of punishment? Have not the Vietnamese suffered from the imperialism of the world long enough? First the invading armies of the Japanese in World War II, then the French finally defeated at the battle of Dien Bien Phu, and now America..... and the score continues to mount.

Are not the Vietnamese humans also? Are not these people deserving of a few of the rights of Americans? Not equal right of course, but consider these rights we Americans take

for granted:

- 1) the right to be free of fragmentation bombs with barbed spears impossible to remove from the human body. 2) The right to be free of gaseous burning napalm. 3) The right to be free of deformed children born to mothers who lived in the chemically contaminated areas of the south. 4) The right to be free of invading armies - be they Democratic, Communist, Atheist or Christian.

Difficult indeed to teach the concepts of the Constitution of the United States and the Bill of Rights in our schools after our children have viewed the ruins of Bach Mai Hospital or Hanoi Polytechnic School.

Ever stop to think who pays for this mass destruction of human life and property? This isn't Nixon's, Johnson's or Kennedy's war, its the American peoples war. Wake up America! We're all to blame with our tax affluency and general lack of moral conviction. Most of us (silent majority) know its wrong yet we're a nation so content with our materialistic comforts we don't have the backbone to stand up for what is right and wrong.

Demand your tax money be used to help mankind not destroy humans. Support the peace movement January 20. Write your Congressman and newspapers. Contribute to the Vietnamese genocide fund some 78 countries have already contributed to. The war advocates must be silenced.

Stuart Dick 2750 NW Stewart Corvallis, Oregon

Chamber

Continued from page 1 markets. An office is maintained in Washington DC so they can be right on top of laws that pertain to them.

Locally they maintain the scales at the Fair Grounds, help with the 4-H and FFA Stock Sale at Fair Time and cooperate with the Chamber of Commerce on the annual Town and Country dinner each winter.

Through their efforts, they have secured the promise of 10 additional State Police to work with game and livestock thefts. They have worked for a change in ownership brand laws.

Quotas Lifted Quotas have been lifted on imported meat and last year a billion pounds were shipped into the United States. These imported meats are only 2 percent inspected as compared with meat from the United States that is 100 percent inspected. This imported meat is being mixed into the hamburger and stew meat sold in the United States.

Merlin showed a sign that will be displayed in some markets that guarantees they are selling only American Beef 100 percent inspected. Grazing Fees Up

That last straw has been the recent announcement of a 15 percent increase in grazing fees. Merlin said it would be sure to reflect in an increase in meat cuts. "It is inconsistent with the government's plea to fight inflation with only 3 percent increases!" He said he was sure that some producers would have to go out of production as costs continue to climb.

Coyote He said he hadn't heard anything lately that coyotes were getting calves or lambs. He did say that the coyote was now a predator as well as a fur-bearing animal and that you can now get \$15 to \$20 for a coyote pelt.

Herman Winter won the pot.

CIRCUIT COURT

Petition, dissolve marriage: Brannon, Donna Louise vs Brannon, Ronnie J. - wife's maiden name to be rest. to Donna Louise Christensen; pet judgment vs resp atty fees, \$250. csts, etc. Atty: Robert Abrams.

State Oregon Ex Rel Ex Boesch, Freda Mae vs Cheadle, Arthur Benjamin - Motion etc. for child support. Attorney: Winter & Doherty. State Oregon Ex Rel Ex Frederickson, Grace Eileen Hixson vs Hixson, Allen Dwight - Petition Child support - Stephen Bruce Main.

Robert Hager of Western Auto was in Portland early this week on a business trip.

Winter Vacation at Fort Ord

Mr. and Mrs. L.D. Tibbles have returned from a two weeks winter vacation with their son and family, Dr. and Mrs. Larry L. Tibbles at Fort Ord.

They had a marvelous time in some of California's perfect weather. They went to San Francisco for the East-West Shrine game and stayed to do Fisherman's Wharf and ride the cable cars.

They visited Hearst Castle at San Simeon and drove through the Big Sur country. They drove the 17 miracle miles on Monterey Drive and shopped the quaint shops at Carmel.

The visited Mr. and Mrs. Tom Sullivan at San Jose.

Mrs. Tibbles said they were only home two days and that much so she could rest up from the trip to San Francisco. She loved it and "I'm ready to go again!"

That area had frosts at the same time Morrow County was experiencing zero weather.

Films to be Shown at Hope Lutheran Church

Two short films will be shown on Jan. 21 at 5:00 p.m. at the Hope Lutheran Church. They are "The Present" and "It's About This Carpenter". There will be a 50 cent charge and high school students especially are invited to attend.

The movies will be discussed after a light supper is served.

Reporter, Sandra Palmer

Church School Workshop for All Faiths

The Director, Rev. Ulphin Davis, of Evangelical Sunday School Service, with headquarters in Portland, will conduct a Leadership Training Conference in the United Methodist church located at Gale and Church St. beginning Jan. 22 and continuing to Jan. 24. The conference starts at 7:00 p.m. each evening.

The Evangelical Sunday School Service is an organization that has been in existence for the past twelve years, aiding churches in the training of Sunday School teachers, officers, and leaders. During this period 35 different denominations represented by 550 churches and over 7,000 teachers and leaders on the West Coast have received instruction in leadership training sessions. In many instances they are now returning to churches with the second and third unit of their training program.

Rev. Ulphin Davis will be assisted by his wife, Mrs. Emma Davis, in the leadership of this conference. They both are graduates of a Southern California Bible College and have had wide experience in the field of Christian education. Rev. Davis served as an area director of Christian education and Mrs. Davis as a youth director for a denomination for over fifteen years. Rev. Davis was a pastor previous to his work in the field of Christian education and has worked with the national Sunday School Association from its inception in various capacities. They both have served as summer camp directors and conference and convention leaders and speakers.

There will be two classes each night covering such subjects as: The pupil, who is he and how do you teach him? Methods of teaching, Visual Aids, The Administration of the Sunday School, the Responsibility of Sunday School Officers, and other related subjects. Each of the two nightly classes will be seventy minutes in duration with a fifteen minute break between. There will be a display of the latest teaching materials and visual aids.

All churches are welcome to participate and all individuals are invited to attend. The program is especially geared to parents of school-age children, Sunday School teachers and workers, potential teachers and sponsors of youth activities.

The Ervin Andersons are home, after a weeks holiday with their daughters and families in Portland.

They visited Mr. and Mrs. Al Parent and girls, and Mrs. Dee Martin and daughter, Suzanne.

Chuck's Custom Upholstery

taught school in Morrow County before her marriage. Formerly of Ione, Mrs. Young had lived in Hermiston for the last 30 years. She was a member of the Methodist Church, the Columbia Grange and the Rebekah Lodge.

Mrs. Young is survived by three sons: Walton Young of Hermiston, Clair Young of Portland, and Leo Young of Eugene; 9 grandchildren and 10 great-grandchildren.

Funeral services were held Thursday afternoon in Burns Chapel in Hermiston. The Rev. Paul LaRue officiated. Interment was in the IOOF Cemetery in Ione.

INFANT DIES

The infant son of Mr. and Mrs. Roland K. Ekstrom lived for only a few hours after his premature birth on Jan. 4, 1973 at Gresham, Oregon. Funeral services were held on Jan. 9 at 10 a.m. at the Chapel of Carroll Funeral Home in Gresham. Besides his parents, the infant is survived by a sister, Shawn, grandparents Mr. and Mrs. Frank Frink of Estacada and Mr. and Mrs. Herbert Ekstrom, Sr. of Ione.

How is cake flour different from all-purpose flour? Cake flour, milled from soft wheat, is lower in protein than all-purpose flour, and usually is not enriched. It's very fine and uniform and makes tender, delicate cakes.
