Electric Use Hits New High

Dave Harrison, manager of Columbia Basin Electric Coop has advised that a new peak load on the system was set during December.

Total load peak of 16,967 kilowatts was recorded. This compared with the previous peak of 16,682 kilowatts in May last year.

In December of 1971 the peak load was 14,663 Kilowatts.

Largest peak load for Ione-Heppner-Sand Hollow areas was Dec. 8th at 7 p.m.

Consumer-members have used in excess of a million more kilowatt hours several months in the past-over usage for December-but peak load on the lines was not as great in the

March of Dimes Month

The annual March of Dimes Mothers' March will be held the week of January 21 to 27. Donna Bergstrom, Morrow County Chairman announced the following chairmen: Mrs. Dan Daltoso, Boardman-Irrigon; Mrs. Tom White, Ione; Mrs. Thelma Epping, Lexington and Mrs. John Messick for Heppner.

The Heppner High School GAA has been asked to conduct the annual Mothers' March. Mrs. Iva Booker will conduct the downtown business section drive.

Mrs. Bill Gentry is county treasurer. Anyone wishing to mail in contributions may send them in care of the Bank of Eastern Oregon, Heppner.

Wednesday, Jan. 24 is the day the GAA girls of Hepp-ner High School will conduct the Mother's March for the March of Dimes in Heppner. Debbie Peck is chairman.

Allen Nistad Named Director West. Wood Assn.

Last week at Sun River. Western Wood Products Assn. elected new officers

Allen Nistad of Kinzua Corp. of Kinzua and Heppner was elected vice chairman of the board of directors.

Stephen Lindstrom High graduation from May **Wins Degree**

of Ione, was recently awarded a Bachelor of Science degree from Eastern Oregon College at LaGrande. Having only one term remaining, Steve returned to EOC after being separated from the U.S.Navy in September and completed the course work necessary for his degree General Studies-Social Science. During the Fall term, 1972, he compiled a four point grade point average.

School Board Has Full Agenda

bid for two school busses was accepted by the Morrow County school board at their transmission and the other high speed transmission at a total delivery cost of \$5380. 07 eacr. Roise Fulleton attended the meeting to answ er questions from the board in charge of bus mainten- cultural area.

Cascade Bus Sales, Port-land, was the low bidder for the bus bodies with 54 passenger Ward body. The dis-trict has never had a Ward body in use in the district. Mr. Daniels said the bodies Oregon's requirements for safety and appears to have excellent construction. Chuck Rogers of Cascade Bus Sales was on hand to anwer questions. Their bid was

Other chassis bus bids came from McRoberts Motor Co. Gresham. Ford \$5340.83; Morrow County Grain Grow ers IHC \$5825; Herb Wright Chevrolet, Fossil, \$5710; Far-ley Motor Co. Heppner Ford \$5430 and GMC \$5591.

Mr. Daniels said the district had never had so many bidders before. Bus Run Change

Several families on the Gooseberry area have voiced disapproval at living as close to Ione schols as they do and have their youngsters picked up so early in the morning. Several alternate routes were studied.

Each family had been inof the proposed formed change and indicated satisfaction with the new arrangement. The board approved the change Monday night. The Valby run with a daily mileage of 26.4 will become a contract run. The drivee may be hired at the board meeting. February additional cost to the district is \$285.

The board approved changing the date for Heppner 27 to May 24.

Request for Spot Welder Lynn Killpack, Industrial Stephen R. Lindstrom, son of Arts instructor at Ione High School and John Rietmann Welding Foundation appeared to give a presentation and request for a spot welder

for Ione shop. second John's place brought \$400 and a plaque to him and \$200 to the school which they would expect to apply towards the purchase of the welder.

John received his award for a two-horse trailer which he built. He reviewed the steps from blue print to completion. Tht project required 180 hours in actual building time which didn't take into consideration the planning and figuring and thinking He figured about 2/3 of the building time was spent riveting the sheet me-

Final Tribute Paid To Don Hendrix

County Receives More Revenue Sharing

Judge Paul Jones said Friday that the county had received another Revenue Sharing check. This one in the amount of \$44,000 which brings the total amount received this far by Morrow County to \$90,-956. As near as he can understand, he said that he thought the county would re-ceive about \$22,000 each quar-

It is expected the money would be worked into the 1973-74 budget. The Judge said he was asking for recommendations from the people of the county how the money was to be spent.

So far he has received letters suggesting part of the money be used for the Library, Museum, Jail, Neighborhood Center rent, enlarge-

balance in the wiring in the panel and Columbia Basin had a sytems inbalance. Mr. Harrison has written in the architect and the electrical contractor. Ernest Teal, district coord-

inator, presented two sur-

Generalities of the Graduate Survey would indicate that the members of previous graduating classes feel there should be a full year more of math, all students should be required to take a year of Developmental Reading, there should be more vocational education homemaking courses should be more realistic about marriage . . that it isn't really a bowl of cherries but a lot o hard work! After 1975 Personal Finan-

ce will be offered for the full year of math, the students suggesting. Student Survey

Only Ione responses have been tabulated in the Career Education student survey. The survey is expected to give an education of the curriculum.

This survey is designed see where more career edu-cation is needed to enable students to make a profitable and rewarding choice of

Mr. Teal is anxious that students be more aware of vocational clusters. He is enthusiastic about the 2nd annual World of Work Day to be held on the BMCC campus March 3 for Morrow County students. He will be pleased to talk

before any group about the two surveys or other phases his work in the district. Members of any organiza-tion interested in having Mr. speak before their group is asked to call the District office. He said in closing, "Give me 20 minutes

needs, capital improvements? The Judge said that every electrician that has worked at the court house has said the Courthouse needs to be rewired. From a safety standpoint this is one recommendation that he will make. Rather than capital improvement he says he believes in capital maintenance. He would like to see some street repairs and strip ing and improvement of county roads.

ment of food program. Should

it go for human resource

Before any expenditures are made, he plans to call in other groups to have them name their top priorities.

First School **Budget Meet** Next Tuesday

OI greet importance to the people of Morrow County is the compiling of the budget for the school district. The 1973-74 budget message will be presented January 23 at 7:30 p.m. at the District office by Budget Officer Ron Daniels.

The purpose of the budget message is to acquaint the public with any anticipated program changes in the 1973-74 year and the necessary finances in terms of receipts and requirements for the total operation of the school district for the same school year. In order to allow the peo-

ple of the three attendance creas to become acquainted with the budget and the budget process there will be three additional meetings. January 30 at Ione, February 6 at Irrigon and February 13 at Heppner High School. All three meetings are at 7:30 p.m. As many as possible are urged

10 minutes before the January meeting of the school board was

Riverside Pirates: JV squad front row from Left: Mgr. Steve Hiigel, Bud McKenzie, Robert Richards, Dan Shoemaker, Mark Adams, Chris Snyder.

Back row: Frank Flock, Terry Crowder, Fred Ziemer and Coach Don Hendrix

More than 300 students, King conducted the services. townspeople, coaching friends Mrs. LaVern Partlow sang, from outlying areas and those "Near To The Heart Of God" who knew him as a counselor accompanied by Mrs. Albert attended the Memorial Service Partlow of Irrigon. A group of for Don Hendrix Monday after- high school students, Sharon noon at the Boardman Com- Stewart, Debra Huwe, Debbie munity Church. Pastor Neil McCoy, Sheryl Partlow, Diane

Rash, Lola Smith, Jody Noble and Jerita Noble sang "A Quiet Place" also accompanied by Mrs. Partlow.

At John Day

At the same time funeral services were held in John Day for Mr. Hendrix. Dan Daltoso, principal of Riverside High School and Jim Harper, baseball coach, were two of the pallbearers

Chairman of the school board and Mrs. Jerry Peck, Superintendent of Schools Ron Daniels

and Mr. Peck's twin niece and nephew, Julie and Jerry Zielinski of Boardman went to John Day to attend the services. There was standing room only. Among those also attending the John Day services from Morrow County were Harold Baker and Randy Baker, Miss Connie Clough, Mr. and Mrs. Howard Mudder, all of Boardman and Mr. Coker of Irrigon.

By Supt. Ron Daniels Mr. Daniels and Mr. Peck arrived back at Lexington about

to begin Monday evening. At the meeting Mr. Daniels

paid high tribute to Don as a teacher and as a young man. "He was a dedicated teacher and had a special rapport with the students. Even though he was not trained as a counselor. we selected him to fill this position because of this special way with students. Students with a problem took them to him. He had on numerous occasions taken students into his home. He had a real desire to help students. For a job well done he didn't expect instant fanfare. He went quietly doing extra jobs."

"We have lost a very fine staff member. He taught a combination that will be hard to fill." He taught social studies, a class in art and was counselor. He coached football and was assistant basketball coach.

Don Hendrix was born Sept. 3. 1941. He graduated from EOC and had taught at Mt. Vernon before coming to Riverside High three and one-half years ago. He is survived by his parents, Mr. and Mrs. Sim. Hendrix of John Day and one brother, Sim Jr. of Pendleton. He was a cousin of Wally Hendrix of Boardman.

Jack Sumner Appointed SALEM - State Representa-

tive Jack Sumner D, has been appointed Vice Chairman of the House Agriculture and Natural Resources Committee for the 1973 Session of the Oregon Legislature which convened here yesterday. There were only eight of the 28 freshmen who were appointed vice chairmen of house committees.

Representative Sumner, a first-term legislator from Heppner, will also serve on the House Transportation and State and Federal Affairs Committee.

Sumner represents District No. 55 which includes Morrow, Gilliam, Sherman, Jefferson and parts of Wasco, Clackamas, Marion & Linn Counties.

About 75 **View Movie**

There were between 70 and 80 people at the movie on Sunday evening to see "The Music Man" according to Mrs. Bob DeSpain Jr. Bob ran the projector and Mrs. DeSpain took admission. There were no concessions sold at this movie. but Mrs. DeSpain said they plan to try to have candy to sell at the next one. She is very optimistic about this project and hopes people will continue to turn out. The next movie is, "Born Free", will be on Jan. 28.

S. Morrow 4-H Council Meet A variety of items concerning

the 4-H program will be discussed at the leaders meeting scheduled for Monday, January 22, 8:00 p.m. at the Extension Conference Room, Gilliam Bishee Building, Heppner. All leaders are encouraged to attend. The leaders council serves as advisory group to the Extension 4-H program and ideas and opinions of all leaders are needed Committees working on 4-H camp, goal, and record recommendations will report at this meeting.

South Morrow Council officers elected at the last meeting of the group are Elwayne Bergstrom, Chairman; Corliss Boner, secretary and Judy Laughlin, treasurer.

More First Aid

R. B. Cogburn and Chuck Rouse, Red Cross Multi-Media First Aid instructors, have scheduled two sessions. They will be giving instruction to 24 farmers on January 23-25 at the American Legion Hall.

On January 30 and February 1 they will give the instruction to Hospital workers and ambulance drivers. Twentytwo have signed up for this session.

After that another session will be arranged. This one for the people on the waiting list who have been wanting to take this concentrated course in First Aid. The classes are restricted to size and will be open on a first come basis.

Anyone interested in signing up for this session may call the Gazette-Times 676-9228.

have bought Ray Ayers' house on Water St. They hope to move over from Lexington in the very near future.

AEC License Head To Testify at Boardman **Nuke Hearing**

The Nuclear and Thermal Energy Council hearings that were to be held at Boardman last Friday will, instead, be held tomorrow, Friday, Jan. 19 at 1:30 p.m. at Riverside High

Dr. Woods, the Council administrator, said that Brian K. Grimes, Atomic Energy Commission licensing official from Washington, D.C. will be present. He is expected to testify along with Portland General Electric officials and Rear Admiral John Tierney, commander of the Whidbey Island Naval Air Station, Wash, A senior vice president of PGE, Arthur J. Porter, will testify.

John Grund, Nuclear engineer, and Peter Karpa, Bechtel Corp. senior engineer and Boardman Project manager will testify. The Council wishes to confine the testimony to whether a nuclear

plant can be located adjacent to the Navy Bombing Range. PGE early last year filed its notice of intent to build a nuclear power plant at the Carty Reservoir on land now leased from the

Ore. Dept. of Veterans Affairs to the Boeing Company. Navy fighter-bombers fly over the bombing range which is very close to the Carty proposed nuclear plant site. It has been reported that Adm. Tierney would show new flight

vectors for Navy aircraft believed to lessen dangers of low-flying aircraft striking the proposed plant as "A chance of one in many

Weather permitting, the Navy may fly some five NTEC members over the bombing range and the proposed plant site. Plan of the Portland General Electric is to have the plant

producing power by 1980. Port of Morrow officials have contended that the proposed

nuclear power plant is the key to expanded development of that area. Coolant water used by the plant would be used for irrigation, opening up vast new areas for row crop development. It has been hoped that the PGE plant would be the first of a number of such plants in Morrow County, which, aside from the needed electric energy, would contribute greatly to economic expansion in this part

A number of groups have urged the Navy to move its bombing range. It is now hoped that there can be a co-existence with the Bombing Range and "an orderly move"

Hunting Prospects Improve

BUCKS & FAWNS **ON INCREASE**

Mule deer herd composition data, a ratio of male and young per 100 females, showed 15 bucks and 74 fawns per 100 does in the Heppner District. This information is gathered during the fall of the year prior to the time when bucks lose their antlers. As compared to last year this shows a 50 percent increase in the number of adult bucks and a 20 percent increase survival. Shorter hunting season has directly effected the

increase in the number of adult

bucks in the herds. With continued moderate weather conditions good fawn survival is probable and light predator losses should occur. Current mule deer population trends should provide good hunting this fall if the weather continues to be moderate. Overall population trend data will gathered in March and April to determine losses and actual increases or decreases compared to the previous year. A total of 908 deer were observed fawn production and during herd composition on five herd ranges making up the Heppner Game Management District. (Information provided by Glenn Ward & Jack Melland. Ore. State Game Dept.)

night supper were Mrs. Tad Miller, Mrs. Archie Alderman and Mrs. Bob Peterson.

Juvenile Charged With Coach's Death

Wednesday Flash

Formal charges of intentionally killing Don Hendrix were filed against the juvenile yesterday by District Attorney Herman Winter. Judge Jones will set a date

for the trial in Juvenile Court.

Residents of Morrow County have been saddened and depressed with the disappearance and then the finding of the frozen body of Don Hendrix last Friday evening west of Irrigon. His shotgun was located a short distance away. He apparently had died of a gun shot wound. The body was concealed by several pieces of lumber.

Don, a teacher at Riverside High School, Boardman, became the object of a search Wednesday evening when the Grant County sheriff called Sheriff Mollahan. He india cated that the Hendrix family of John Day was anxious of the whereabouts of their son, Don.

By 10 p.m. deputies were in Boardman and examined the Hendrix mobile home in a Court in Boardman. It was determined then that his shotgun was missing.

Thursday morning the Morrow County District Attorney and Juvenile Judge Jones were notified that Hendrix was missing and a juvenile was in custody. The 14 year old boy, a ward of the Court, had made his home with Mr. Hendrix since November.

Thursday authorities interviewed persons in and around Boardman concerning

whereabouts of Mr. Hendrix. He had last been seen January 5 when he chaperoned a busload of students to a basketball game at Helix. He had been scheduled to attend a teachers' workshop in Portland Monday and Tuesday. Hearing Held -

Friday the juvenile was picked up at the Umatilla County sheriff's office for a trip to Heppner for a Juvenile hear-He indicated at this ing. time that he would speak to a particular State Police officer. This officer was in Boardman at the time and so the boy was taken to Boardman. The interview was completed about 4 o'clock that afternoon. The boy led police to the body which was uncovered about 5 p.m. The boy says the shooting was acci-

A Juvenile hearing was held at 7:15 that evening at Riverside High School. As a result of the hearing, the juvenile was continued in cus-

The preliminary autopsy indicates that Mr. Hendrix was killed by a shotgun blast fired from behind and above. Final autopsy findings are not yet available. Items of evidence have been turned over to the crime lab at Pendle-

District Attorney Herman Winter is waiting for the results of the autopsy, then if any, appropriate allegations will be made in a petition to the Juvenile Court. Morrow County Judge Paul Jones is in charge of the Morrow juvenile court.
