Mustangs Split Weekend

by GREG GREEN
 Heppner lost by one point in overtime to the Condon Blue Devils 65-66 then turned around and defeated highly rated Umatilla Vikings Saturday night 66-58.

It was touch and go during the first quarter of the Umatilla game but the Vikings lagged behind at halftime under the Mustang's second-period hustle. Halftime score was 37-23. The Vikings pace picked up during the second half but not enough to overcome the Mustangs.

The Mustangs out rebounded, Umatilla 48-31. Somewhat of an outstanding feat against the Viking front line which includes players of 6-4 and 6-7 height.

Heppner shot 68 per cent from the floor. Lloyd Wilson led the scoring attack with 14 counters. Kenny Eckman was close behind with 13, John Boyer 10, Mike Bergstrom and Allen McCabe each 9.

Heppner was behind by two in the closing seconds of the Condon game when Kenny Eckman went to the line. Eckman dumped both shots in the one and one situation to bring the game to an overtime.

The Mustangs found themselves down by two again in the last six seconds of the overtime period. This time Boyer went to the line and made one of two shots to bring his team within one.

Before the game was over, a Mustang player was fouled again but the free throw attempt was missed and Condon went home with a one point victory.

Heppner shot 54 per cent compared to the Blue Devils 45 per cent but were out rebounded 50-41.

Both teams committed 31 personal fouls for which four Condon players and five Heppner players left the game. The Mustangs being their second and third league games of the season with Sherman there Friday and Stanfield here Saturday.

My school situation is really great - everything is running smoothly. We'll be doing L'il Abner this spring. Lots of work but will a lot of fun, too."

Play Nites - Feb. 1 & 3

Rehearsals are progressing smoothly for the evening of one-act plays to be presented by the Heppner Community Drama Club February 1 and 3 on the Heppner High stage. The program will consist of "The Boor," a comedy set in 19th century Russia; "Overtones," dealing with the hypocritical side of people; and "Balcony Scene", where a man returns to his funeral and doesn't like what he sees there. "The Boor" is being directed by Jane Rawlins, the other two plays by Lynda Slusher.

This will be the second production by the Drama Club since the '72-'73 school year began. Mark your calendars now so you won't miss the evening of one-acts. There should be something there for everyone.

Ione Pump Switch Blew Up...Temporary Water Shortage Shortlived

By CASSANDRA CHAPEL
 On Saturday there suddenly was a water shortage in Ione. Something had gone wrong with the pump on the well and the pressure just wasn't there. Citizens were cautioned not to use any water that was not absolutely necessary, not to flush toilets, do any washing, etc. There was speculation that if the pump could not be repaired for a while the old well would have to be used. That would have meant heavy chlorination, which might not have been pleasant. The Ione - Wheeler basketball game even had to be played on Saturday night in Heppner. But happily, the pump was repaired on Monday and everything got back to normal.
