Casey Kuhn is Riverside's Homemaker of Tomorrow

By MARY LEE MARLOW

Riverside High school's 1973 Betty Crocker Homemaker of Tomorrow is Casey Kuhn. She was selected by score in a written knowledge and attitude examination taken by both senior boys and girls Dec. 5. Casey will receive a specially designed award from General Mills, sponsor of the annual Betty Crocker Search for American Homemakers of Tomorrow. In addition she remains eligible for state and national honors.

The State Homemaker will be chosen from all the school winners in the state on performance in the Dec. 5 test, and will receive a \$1,500 college scholarship. A 20-volume reference work, "The Annals of America", will also be presented to the state winner's school by the Encyclopedia Britannica Educational Corporation. The second-ranking student in the state will receive a \$500 scholarship.

In late April, the 51 State Homemakers of Tomorrow representing every state and the District of Columbia—each accompanied by a faculty advisor—will gather in Washington, D.C. for an expense-paid tour of the capital city and colonial Williamsburg, Va.

At the end of the tour will be the announcement of the 1973 Betty Crocker All-American Homemaker of Tomorrow and three runners-up. To be selected through personal observation and interview during the tour plus state-level judging results, they will be awarded increases in their scholarship to \$5,000, \$4,000, \$3,000 and \$2,000.

A \$1,000 Nutrition scholarship is also included in the program again this year. Recipient of this grant will be the participating student who is planning a college major in nutrition or a related field, ranks among the highest in his or her state on the overall examination and, from those meeting these two criteria, achieves the top score on the test's nutrition questions.

A total of 665,600 seniors were enrolled in this year's Search, the first in which boys were eligible to participate. Since the program began in the 1954-55 school year, approximately nine million students have taken part and with this year's grants, scholarships awards will exceed \$2 million.

Surprise Housewarming Dinner for Daltoso

First Gifts For First Baby

Cheryl Lee is the name of the 1973 First Baby in Heppner. Her parents are Mr. and Mrs. Phil Sinerius. He is mechanic at Fulletons Chev.

Melissa who will be four in April and Corrie who will be 2 years old March 1 went along on the first shopping trip.

Each gift was the same as Christmas for Melissa and Corrie. Cheryl Lee slept through most of the shopping tour. She has lots and lots of black hair and pretty blue eyes.

The little ones were delighted with the baby carrier given to them for the new baby sister by Western Auto. It was white with a pink and blue pad.

At Gardners, Mrs. Sinerius picked out a blue and gold sport shirt for Phil, which is sure to delight him.

At Petersons they saw the sterling silver cup for the new baby. It was hard for the little ones to understand that Marlene had to keep it to engrave the baby's name on it.

At Thomsons Grocery, Melissa and Corrie helped count out 12 cans of Morning milk.

By this time, it was nap time for Corrie and the shopping trip came to an end to continue another time.
