OUT WITH THE OLD IN WITH THE NEW

Out with the pipes and filters and boilers. Out with the tanks and bulk and belts. In with space-saving, quiet, complete electric heat. Quiet, because there are no moving parts. Complete... with no cold spots or drafts that cause colds. And clean... because there's no flame. So, no soot.

Next chance you get—when you build or remodel—consider electric heat. We'll be glad to give you all the information you need.

NOTICE OF HIGHWAY-CORRIDOR PUBLIC HEARING

The Oregon State Highway Division proposes to hold a formal public hearing to determine the route location of I-82 connecting I-80N in Oregon to I-90 in Washington. Elements of the project, including tentative schedules for approvals and future design hearings, will be presented at the formal hearing. Interested persons are invited to attend the hearing and those desiring to express an opinion pertaining to State's proposal are invited to do so, and in addition may submit written statements at the hearing or to the Highway Commission within ten (10) days after the formal public hearing.

The State of Oregon's proposal includes nine (9) various alternate corridors being studied and considered for the corridor of I-82. The corridors lie in Morrow and Umatilla Counties, in northeastern

INTERSTATE ROUTE 82 CORRIDORS

Oregon, and are bounded by the Columbia River and the Washington State line on the north, I-80N on the south, US 30-US 730 Junction on the west, and Vansycle Canyon on the east.

The formal public hearing will be March 1 in the Vert Auditorium of Helen McCune Junior High School, S.W. Dorian Avenue, Pendleton, Oregon, with the hearing to begin promptly at 2 p.m. and continue throughout the afternoon and evening with recess for dinner. The hearing will reconvene promptly at 7:30 p.m. and will continue until everyone present has had an opportunity to be heard. The hearing officer may declare additional recesses as he determines appropriate.

Informal informational sessions will be held on Monday, February 26, 1973 from 2 p.m. to 9 p.m. at the Public Safety Center Building, 330 South 1st Street, Hermiston, Oregon; and on Tuesday and Wednesday, February 27 and 28, 1973, from 2 p.m. to 9 p.m. in the Vert Club

Room of Helen McCune Junior High School in Pendleton, Oregon. In addition, an informal informational session will be held in the Little Theater of Helen McCune Junior High School on Thursday, March 1, 1973, from 1 p.m. until conclusion of the formal hearing. State Highway Division engineering, environmental, and right-of-way personnel will be present to discuss any questions which may arise, including relocation assistance programs, with persons who may be interested in or affected by the proposals. Plans may be examined, as well as other pertinent information developed by the State Highway Division and written views received as a result of coordination with other interested agencies.

A statement regarding the environmental effects of this proposed project may have on the area, including a detailed analysis of the various human and natural environmental impacts, as well as air, water,

and noise pollution studies, will be available for the review and information of those persons interested. The environmental impact statement may be reviewed at the various city libraries in the area; Umatilla and Morrow County Courthouses; OSHD District 12 Office, 104 S.E. 12th Street, Pendleton, OSHD Region 5 Office, 2111 Adams Avenue, Kennewick High School Auditorium, 200 South Dayton Street, Kennewick, Washington. The formal public hearing will commence promptly at 7 p.m., Feb. 27, 1973.

If any questions arise pertaining to this matter, please contact the Region 5 Engineer, Mr. W.E. "Pat" Schwartz, 2111 Adams Avenue, La Grande, Oregon 97850, phone 963-3177, or the Location Section, Room 212 State Highway Building, Salem, Oregon 97310, phone 378-6863.
