SCHOOL BOARD
 Continued from page 1
Field Trips
 Dennis Toney, Lynda Slusher and Hilda Yocom appeared to answer any questions the board might have in relation to two proposed field trips from Heppner High.
 Approved was a special field trip to Portland on April 6-8 for Mr. Toney, advisor and five students to attend the National Scholastic Press Association and the Journalism Education Association Conference at the Portland Hilton. Estimated cost of the planned trip is \$30, and a school car will be needed. There was a question about so few going. Mr. Toney indicated the editors for this year and next would be making the trip. Sixteen states are included in the Ass'n, and this is the first time it has been held in Oregon.
 The directors also approved a 350 mile trip to Corvallis for the 20 girls of the dance team to attend competition April 6-7-8. Costs for the trip include gas and meals for the bus driver. Questioned were the sleeping arrangements. Mrs. Slusher explained that the girls would be sleeping in their sleeping bags on the gym floor. Mr. Rauch noted he had had the opportunity to observe a crack drill team from Boise High School. He said, "I was impressed."
 Mary Langston, foreign language instructor at Ione requested a special field trip to Willamette University on April 3 for 9 students and two chaperones. The group will see a touring French production and have dinner in a French restaurant afterward.
 Principal Don Cole reviewed the plans for a sixth grade week long outdoor school this spring. It will be held at Tupper Work Center May 7-11. Sessions will be held on water, geology, soil,
