G-T Photo

A boy and three girls were the winners of the Ione Garden Club sponsored Conservation Poster Contest: Tom Sherer, Michelle McElligott, Martha McElligott and Paula Lindstrom.

The Ione Garden Club presented potted primroses to the winners of their Conservation Poster and Poem contest held in the 5th and 6th grades at Ione. Mrs. Lee Pettyjohn made the presentation Friday afternoon. The theme of the posters this

year was "Our Safety Depends on Knowing Harmful Plants in Home and Garden."

Tom Sherer won first prize, Michelle McElligott 2nd, Martha McElligott 3rd and Paula Lindstrom, honorable mention. Michelle McElligott also took

Mrs. Erwin Reviews New Scotch Novel

Mrs. Harold Erwin reviewed THE CAMERONS, a recent novel by Robert Crichton for the Bookworms as they gathered at the home of Mrs. Robert Abrams on March 13. As she introduced the book, Inez said one of the reasons it interested her was because her mother was a Cameron, and that she has a sister who married a Cameron, too. Several years ago she reviewed THE SECRET OF SAINT BITTORIA an earlier novel by the same author.

This novel is about a turn-of-the-century Scotch family and most of it takes place in the coal mine town of Pittungo. The principal characters are a miner's daughter, Maggie Drum and the Highlander bridegroom she captures, Gillon Forbes Cameron. She coaxes him to become a miner; they have fine children; thrifty Maggie insists that they live well within their income.

After years of problems, including near starvation, the strong willed mother and her capable but more romantic Highlander husband, and their

offspring win complete freedom from Scotland's misery. They are able, through their own terrific efforts, to leave the old country and to steam westward toward America, the land of hope and of opportunity beyond belief.

Before Inez Erwin's fascinating book review, the club members talked briefly of their next two meetings which will be held jointly with the Ione Topic Club. The first will be at the Norman Nelson home on Mar. 28 at 2:00 in the afternoon.

Diana Cutsforth Bound for Taipei

Even if she had had a Fairy Godmother, Diana Cutsforth couldn't have done any better. She is off on a two month visit with friends at Taipei, Taiwan.

It all began last year in the dorm when she became good friends with "Tin Tin." Her Chinese friend came home with her for Christmas vacation. Then last summer when Tin Tin's mother, Mrs. Wu came to Portland to visit, Diana went down to meet her.

When Tin Tin came back from Christmas vacation with her

parents this year she brought an invitation for Diana to visit them for two months.

She rode as far as Portland Monday with Tom. He went on to El Toro, Ca. and Diana flew to Seattle for 1 1/2 hour lay over, then to Tokyo and a 2 hour lay over before her last stop at Taipei.

She will be back in time for Jim's graduation in May. She plans to attend EOC this summer to make up for this term so she can be back at the university next fall as a junior.

8th Graders Tour McNary Dam

The 50 Heppner Jr. High 8th graders, accompanied by Mr. Maynard and Mrs. Meador, made the trip to McNary Dam on March 14. They had the good fortune to see the newest barge on the Columbia go thru the locks. The locks were emptied of about 75 feet of water to allow the barge to pass through. This barge cost over a million dollars to build and has two 3,000 horsepower engines.

The students have been studying electricity and that was the primary reason for the trip. They toured the dam and saw the generators and turbines. They had the fish ladders pointed out to them, but didn't have time to view them closely.

22 Complete ABC First Aid Course

With the completion of the March 13-15 American Red Cross multimedia First Aid Course, R.B. Cogburn and Chuck Rouse have given instruction to 118 persons this winter.

This class was given for ranch owners and supervisors. There were 22 in the class. An all-day course will be given March 26, but R. B. Cogburn, Red Cross First Aid chairman said this week that all slots had been filled.

Those passing the course last week from Lexington were: Lyle Cox, Bud Wilson, Edward E. Baker, John Edwards, Norman Nelson, Pat Cutsforth and Karen Cutsforth.

From Ione: Bryce Keene, Kenneth Smouse, Roland Berg-

Bloodmobile - Some Donor Requirements

THE Bloodmobile will be in Heppner on April 3 from 12:30 to 5:00 p.m. Any healthy person between the ages of 18 and 61 may give. Single minors, 18 to 21, unless married or in the military, must have the written consent of parent or guardian.

Under any of the following conditions you should wait: (1) Transfusions and surgery; 6 months after receiving blood or blood products or after major surgery; (2) two weeks after smallpox, yellow fever, measles or mumps immunizations. 24 hours after diphtheria, cholera, flu, polio, tetanus, typhoid. (No waiting for Oral Sabin Vaccine); (3) No waiting after antihistamines, diet pills, birth control pills or aspirins. 2 years

after anti-malarial drugs. 2 weeks after antibiotics; (4) 6 months after pregnancy - full term or miscarriage; (5) allergies, hayfever or asthma - no waiting unless active on the day of donation; (6) Flu or colds: Donors must be free of acute respiratory disease at time of donation; (7) Mononucleosis or Glandular Fever: 6 months unless complicated by jaundice; (8) Tuberculosis: accepted if arrested over 5 years; (9) Diabetics: if controlled by diet alone; (10) Rheumatic Fever: if no cardiac damage and not on penicillin; (11) Yellow jaundice or hepatitis contact: 6 months; (12) Exposure to infectious diseases: (measles, German measles, chicken pox, mumps, etc.) No wait if donor has

already had disease - otherwise 3 weeks after last contact. Do not offer blood if you have had jaundice, hepatitis or malaria. It is estimated that one-third of the population is too old to give and one-third is too young. Of the remaining third, one-half at least, are ineligible because of health and medical reasons, leaving a small percentage of donors who must give enough blood for 100 percent of the population. A larger segment of the population can be served through the blood banking system, providing available blood in advance of needs.

Hubert Wilson is Red Cross blood vice-chairman this year and Sarah Adkins, president of the Golden Agers, is chairman of the Canteen.

Introducing Princess Kathy

KATHY BARTLETT

I belong to G.A.A., National Honor Society, Associated Girls (Pep Club & Girls League combined), F.H.A. I am vice-president and Student Council Representative of Heppner's F.H.A. 4-H cooking, sewing, knitting, and livestock, as well as other activities, keep me busy. I love helping my fellow 4-H'ers so I act as Junior Leader for our livestock and cooking clubs.

Besides liking to work within the home, I love the great outdoors. Swimming, running, bowling, walking, football and playing basketball are great fun. I love nearly all animals, riding horses, camping out, mountains, and water. I'd like to learn to water ski and snow ski better.

Guess I'm sentimental, but I LOVE cabins, snow, fireplaces, sound of crackling wood, smell of bacon frying, but most of all PEOPLE.

Girls Submit 4-H Records

Four Morrow County 4-Hers submitted their records to be sent in for judging on the State level. Sandra Palmer, Rhonda Sargent, Kathleen McElligott and Peggy Schlichting will vie with participants from over the entire state. State winners receive a trip to Chicago and National winners go to Washington, D.C. Results are not known until September.

How About an Ashland Trip?

Two groups will go to the Oregon Shakespearean Festival at Ashland from this county this year. As usual Mrs. Bill Rawlins will shepherd the high school group. She is also about to send for tickets for a group of very interested adults, which could probably include a few more.

If you want to leave Heppner on June 25 and return on June 29 with this group do contact Mrs. Rawlins pronto. On Tuesday the plays offered are "Othello" and "As You Like It"; Wednesday, Strindberg's "The Dance of Death" and "The Merry Wives of Windsor"; Thursday, Ben Jonson's "The Alchemist" and "Henry The Fifth". A sight-seeing trip to historic Jacksonville, and a back-stage visit in the Angus Bowmer Theater are also attractions being offered to those Ashland-bound.

Hendrix Memorial Fund Reaches Goal

A fund raising drive initiated by the Boardman Lions Club on January 30, 1973, is nearing its goal of \$2,000.

The drive was initiated to raise the funds necessary to purchase an electric football scoreboard in memory of Riverside High Schools football coach, Don Hendrix, whose death occurred in early Jan. Ron Daniels, who has coordinated the fund raising drive for the Boardman Lions Club, reported on March 15, that a total of \$2,098.30 had been donated in memory of Don Hendrix. Mr. Daniels said, "I believe the fact that we were able to raise over \$2,000 in a month and a half reflects the respect and high esteem the people had for Don."

The scoreboard will be purchased in early summer and will be installed in time for football games beginning in September.

Imperial Electric, a local firm has offered to handle the wiring installation at no charge.

The balance of funds not used in the purchase and installation of the scoreboard will be used to make other improvements to the "Don Hendrix Memorial Field."
