

THIS ORTHO, CHEVRON AND DESIGN, UNIPEL—REG. U.S. PAT. OFF.

UNIPEL® means ORTHO's uniform fertilizer pellets. They're uniform in size, shape, weight and nutrient content for easy calibration and even spreading.

The popular ORTHO UNIPEL 27-12-0 formulation with sulphur is considered ideal for small grain fertilization as well as pasture. Two nitrogen forms promote both early and late growth. The sulphur helps build higher protein levels in sulphur-deficient soils. For more details, the man to see is your ORTHO Dealer.

**Co-op News**

Columbia Basin Crews are shown installing a shu-fly at the BPA lone Substation.

The Coop is installing this to cut the outage to the lone Substation from 8 hours to 3 1/2 hours as planned.

**Grange Dinner Success**

The Lexington Grange buffet dinner held on March 25 was a grand success. Besides all the local people who attended, there were people there from Hermiton, Pendleton and many surrounding towns.

Pinochle was played after dinner with Martha Van Schoiack winning high and Velva Bechdolt, low; Melvin Moyer, high and Mr. Bechdolt, low; Alice McCabe won traveling pinochle.

**LEX GRANGE ENJOYS GRAND SQUARES**

The Lexington Grange had a meeting March 19 starting with potluck dinner. The lone Grand Squares presented the program under the direction of Darrel Wilson. They had two squares and besides the square dancing they did some beautiful rounds and old-fashioned dancing. Everyone truly enjoyed their program.

Past Master, Cecil Jones, presided at the meeting. The Charter was draped in memory

of Beulah Mankin. Special music was provided by the Marquards.

A.F. Majeske of Lexington returned home from his hospital stay in Heppner.

Mrs. Cleo Van Winkle returned to Hershey's Nursing Home after spending a week in Lexington and Heppner visiting her children. She was also packing some of her household effects at this time.

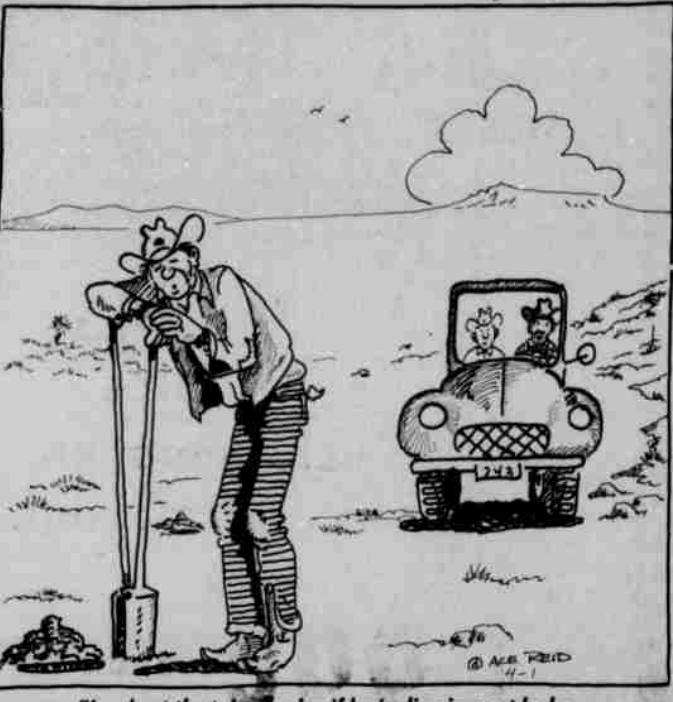

St. Patrick's Day brought Mrs. Al Parent and daughters, and Mrs. Dee Martin and Suzanne, all of Portland, to visit with Mr. and Mrs. Ervin Anderson. The little girls stayed to spend Spring Vacation with their grandparents.

Mrs. Martin drove up to get them this weekend.

Before leaving for Portland, they enjoyed Mrs. Hudson's piano recital on Sunday.

**SORRY ABOUT THAT** - in our recent story on Pacific Gas Transmission we should have said the gas goes to northern California (the San Francisco area), not southern California. And the jet engine gas generator at Station 9 is a General Electric jet rather than a Rolls Royce. Unit B at Station 9 uses a GE jet as part of the Ingersoll-Rand turbine centrifugal compressor package. Unit A at Station 9 is a General Electric industrial-type turbine.)

**COW POKES** By Ace Reid

**HOLLY REBEKAH LODGE** of Lexington is planning an evening of fun designed to have something for all ages. There will be pinochle for those who want to play cards. Then there's bingo, grab bags, fish pond and pie and coffee. Proceeds will be used for lodge projects.
