Ione Parents Club Organizing

By CASSANDRA CHAPEL

An organizational meeting of the Cardinal Club Inc., will be held Thursday, April 12 in the Ione Cafeteria. By laws will be discussed. There will also be election and installation of officers for the group.

Cardinal Club is a new organization. Its primary purpose is to be of service to the Ione Schools. Its objects are to: (1) provide adult volunteer workers to assist with the various activities of the schools, (2) establish a monetary scholarship to be given to one senior graduating from the Ione High School, (3) secure items for the schools that cannot be funded by Morrow County School District R-1, and (4) conduct the programs to bring about better understanding between the homes and the schools.

This new club is designed to take the place of the Ione Parent Teacher Association. The PTA voted to end its affiliation with the Oregon Congress of Parents and Teachers at its regular February meeting.

Cardinal Club will operate as a non-profit corporation. It will in no way try to control the operation or the policies of the schools. It will be separate and apart from the schools in its organization and operation. It is hoped there will be a good turnout for this meeting.

Mustangs Defeat Rival Cards

By GREG GREEN

Three runs in the first and three in the sixth inning were enough to put the Mustangs ahead of Ione as they beat the Cardinals 6 - 2 April 4.

Ione allowed Heppner only 3 hits, but each was a factor in scoring runs. Jeff Marshall and Allen McCabe hit run scoring singles in the opening inning. Scoring in the sixth came about on a two run single by Rick Drake followed by a well executed sacrifice bunt by Greg Green.

The only double play came at the end of the game when Green nabbed a line drive between first and second base, then flipped the ball to Drake on first catching the runner off.
