

## GALLEY WEST

### Seeing Eye Presents New Movie "One Day - -"

"One Day In The Life of Ivan Denisovich", from the novel by Alexander Solzhenitsyn (1970 Nobel Prize for Literature) outlines the events of one day - one especially good day - in the life of a Siberian labor camp during the Stalin regime. This international production is the moving story of "man's inhumanity to man", and one man's indomitable will to survive. It stars Tom Courtney (Billy Liar, Dr. Zhivago, OTLEY) as Ivan and was filmed in the sub-zero

cold at Roros near the Arctic Circle in Norway. The Seeing Eye has moved the showing date of the film to Sunday evening, April 29th, to accommodate those who wish to attend the Heppner Band Carnival, Saturday evening, the 28th. Admission prices remain - \$1.50 Adults, \$1.00 Students, and \$0.75 children, grades 1 - 8. Showtime is 7:00 p.m., Heppner Grade School. "Please plan to attend" says Linda DeSpain, "or you will miss a great opportunity for a different type of film experience."

### Sophomore Movie Here Friday "The Crucible" Goes to Baker

Something for young and old alike, "The Endless Summer" has thrills and adventure for everyone. This movie, is certain to catch you in the grip of thrills. It is sponsored by the Heppner High Sophomore class and will be shown at the High School Cafeteria this Friday night, April 27.

This beautifully photographed movie is the story of three young surfers who take a three-month, 35,000 mile trip around the world in search of "the perfect wave". The color camera is everywhere, often right on the surfboards themselves, with extraordinary close-ups to make you feel that you are actually surfing with the boys.

Whether you're interested in surfing or just in sharing a great adventure of any kind, come out and support the class. Once again, showtime is this Friday night at 7:00 p.m. in the High School Cafeteria. Proceeds go to help with next year's prom.

### "The Crucible" Goes to Baker

Because of arrangements made for them by Jack Turner of The Democrat Herald in Baker, the Heppner Community Drama Club will go on the road with their production of "The Crucible" next weekend.

Tami Meador's grandmother is responsible for getting the Baker area interested in the play. Theater is appreciated and supported there, and she felt confident "The Crucible" would go over big.

"The Crucible" will be presented in the Baker High School auditorium, which seats 600, Friday evening, May 4. Curtain time will be 8:00 p.m.

Members of the cast and crew will leave Thursday evening. They will practice one time on the stage Thursday night, then spend Friday getting the set and lighting ready for the evening production.

"The Crucible" was presented April 12-14 on the Heppner High School stage. The cast has begun practice again to polish their performances in preparation of the Baker trip.

### Linda Palmer Tells Chamber of Resocialization Program

It is always a delight to have a young graduate working in the field in which she is educated and Linda Palmer is a sparkling example of a person who is doing what she likes to do and has been educated to do well.

She told about her work in the resocialization program for women at a Community Center in Portland at last Monday's Chamber of Commerce meeting. It is a work release program to prepare inmates for the transition back into society from the correctional facilities in Oregon.

Informal living is the rule at the center. General security, open door policy, no bars at the windows, everyone helps with the work. State, federal and county women are referred to the Center. In order to enter the program, the women must make application and agree to live by the guide lines as signed. If there is a minor violation they lose privileges but for going AWOL, use of drugs or alcohol or something as serious they may go back to the parent institution. Visitors who have been cleared may visit at the Center between 8 a.m. and 10 p.m.

At the Center, they have an excellent physical examination. For food handlers, a health card is required. All are required to take courses in planned parenthood. The Department of Rehabilitation may

pay for schooling and correct health problems. The Center takes advantage of other state agencies that can be called in to help the women.

Linda helps them to find jobs. This may be the first time they have ever been employed and paying their way. They pay \$3.00 a day for board and room and are given an allowance from their wages for incidentals. The remainder is put into a trust fund for them. At the time they leave the Center, they are employed and are given this money in a lump sum.

Linda acts as a liaison between the employer and the client. She handles their finances and gives instruction in money management to the 18 women at the Center. They may stay at the Center from four months to a year.

The program has been underway since 1966. Eventually it is hoped that similar centers may be established in other parts of the state.

Linda is the daughter of Mr. and Mrs. Ron Palmer of Heppner.

### Girls Track to La Grande

The Heppner High School girls track team will leave at 6:30 this morning to participate in the La Grande Invitational. Susan Healy and Lori Dunlap will be the only ones to enter the meet. Lisa Collins will be going on the field trip to the Malheur Bird Refuge at French Glen. Tami Toll who has an injury will attend the match to watch.

### Japanese Foods to be Explained

A complete Japanese meal will be cooked and served for the Morrow County families who will be hosting Japanese exchange students at the Heppner Elementary School April 29.

The meal will include miso soup, sukijaki, cucumber salad, pork chow mein and rice cookies. Mrs. Byron Flint from Beaverton will be supervisor for the day. Each family will participate in the preparation of the dinner.

Cooking will begin at 10:00 a.m. Mothers are asked to be at school to begin preparing the meal at that time. Men and children can come later, about 2:00 p.m., when the meal will be served.

Any host family who has questions may contact Mrs. Robert Davidson, coordinator for Morrow County, in Lexington at 989-8402. Each host family will be expected to share the expense for their dinner.

### ATBYU GRADUATION

Mr. and Mrs. Paul Warren and Joan were at Provo Easter weekend. They attended the graduation exercises at Brigham Young University for their son, Steve. He graduated with a degree in Journalism. Steve plans to come to Heppner for a few weeks visit.

### Gayle Cox Races at Riverside

Mr. and Mrs. Bill Cox received word from their son Gayle, that he won '73 Racing Seasons opening race at Riverside, California.

Gayle, who lives in San Francisco, driving his Brabham formula C, grided 10th of the 15 cars, finished first in class. His aim is to win the Western Divisional Championship and have a go at the Road Race of Champions in Atlanta this fall. But in the meantime there will be some ten races at other courses as Laguna Seca, Portland Raceways and Kent, Washington.

Gayles next race is mid-May at Laguna Seca, which is noted to be the toughest road course in America.

The Cox family is looking forward to August when the circuit will bring Gayle to Portland for the race there.
