### Well to be Drilled

A well drilling project and the construction of 2,300 lead-line rail facilities in the Port of Morrow Industrial Park was approved last Thursday.

The well and rail facility plus a double spur at the plant site, will accommodate the new Desert Magic potato packing plant that is under construction at a reported cost of approximately \$500,000.

The rail lead-line will be extended from the Morrow Product Company's potato packing plant in the industrial park. Rupert Kennedy, port manager, said construction will cost approximately \$15.50 per foot, with the grade in place.

The port commission is putting itself in a position through a preliminary engineering program to apply for emergency development funds the first part of July. The commission ruled out any possibility of going to the county's voters for a general obligation bond issue to prepare

### Methodist Sale & Rain?

Local Methodists are expecting a big response to their annual Lawn Sale this Saturday. This sale's income goes for home and world missions, to help support the Methodist Home in Salem and to help with the repair and upkeep of the local church and parsonage. Workers are also hopeful that the sale might help promote a good local rainfall. Last year's sale was cut short with a healthy downpour. They are hoping that the rain will wait until later in the day this year.

Unusual Silver  
Some unusual small sterling silver pieces, a nicely dressed 16 inch doll and an over-the-car type canvas tent, have been contributed. The usual delicious baked goods, bright new aprons, and a tasty luncheon are scheduled.
