Aussie IFYE Coming

Bill Rowett, an International Farm Youth Exchangee from South Australia, interested in rodeo and wool, will arrive June 30th for a two week visit with the Jim West family of Ione. The West family home is on Upper Rhea Creek where they have many sheep. Mr. Rowett is twenty four years of age, has been active in Rural Youth Movement, rodeo and saddle club in his homeland. He attended the Marleston School of Wool and has a Degree of Wool Classing. His home is a farm of 1040 acres where they have crops of Lucern, (alfalfa), cereals, oil seeds, and sheep, beef and dairy.

Prior to his arrival here he will visit in Corvallis, attend 4-H Summer School, and spend time with host families in Scappoose and Culver.

In the U.S. the IFYE program is conducted by the National 4-H Foundation in behalf of the Cooperative Extension Service. Financial sponsorship is provided by friends of 4-H, National 4-H Foundation, and the Bureau of Educational and Cultural Affairs of the Department of State.

While in Morrow County the young man will want to meet 4-H leaders and members, visit various agricultural developments, see our towns and meet the people. Any group or individual interested in meeting Mr. Rowell should contact the Extension Office, or the West family.

"We have had some wonderful IFYE's in Morrow County", said Birdine Tullis, Ext. Aide. "I feel it is so very important for our young people to have a good understanding of all people and cultures in this world today. The International Exchange program offers this opportunity."

News of Morrow County

Mr. Pierce and Molly and the "grandma" attended a baseball game where the New York Yankees beat out the Texas Rangers. Gene said this was one evening it didn't rain but it thundered and lightninged.

LINDA COOPER left Sunday for Eugene where she is attending the University of Oregon summer school.

Camp Improvement Underway

By BIRDINE TULLIS,
Morrow Co. Extension Aide

Preparation for another big 4-H camping experience for younger 4-H members included improvements and renovation of the 4-H kitchen at Cutsforth Park. Serving as volunteer improvement chairman, carpenter and general handyman-fixer was Merle Cantin, Pacific Northwest Bell telephone employee. A work day brought out an enthusiastic group of helpers including the Gary Grieb, Bob Kroll, Mike Howell, Garry Tullis, Dick Sargent, and Roger Palmer families to assist Merle.

A new water heater was installed, sinks moved, work tables and additional refrigeration added. Refrigerators were donated by Mr. and Mrs. Everett Harshman and Mr. and Mrs. Robert Johnson. Probably the most noticeable improvement was the paint job. The gals in the group really made the paint fly!

4-H appreciates the efforts of all volunteers who contribute so much to the youth of Morrow County. A special word of appreciation goes to Merle Cantin, whose enthusiasm and hard work made the recent camp improvements possible.

Final touches will be added this week by Mr. Cantin, Mr. Sargent and other volunteers and a general camp set-up day will be held Saturday, June 23rd. All parents of campers and leaders are encouraged to assist with the final preparations for camp - and to view the improvements made for thier campers.
