

Story Hours at Library Begin July 9

Children between the ages of 4 and 8 are invited to the public library in Heppner each Monday afternoon from July 9 through August to hear some expert storytellers. What a grand treat for these lucky children!

These sessions are arranged by the American Association of University Women and members of that group and several others will participate. Parents may leave their children at the library at 1:00 but are asked to return by 1:30 to pick the children up. If the children and parents wish to select books after the story time that will be fine, but the children are not to

be left unattended after 1:30.

Volunteers
Although not every Monday is filled at present, these expert storytellers have volunteered their talents: Mrs. Ruth Maatta will begin the series on July 9 and Mrs. Karen Dubuque will preside on July 23. The storytellers for July 16 and July 30 will be announced later. The four Mondays in August will present Mrs. Carol Godin, Rev. Mark Johnson, Karen and Dave Mitchum, and Mrs. Linda Johnson in that order. Each session will see an assistant or two helping the storyteller with the small children.

Yes... It's Good Golf Manners

1. To know when it is your turn to play, and be ready to play.
 2. To watch your ball, as well as others, and "mark" for quick find.
 3. To be neat, clean and courteous.
 4. To fix ball marks on the greens and to replace divots.
 5. To mark your ball the first thing after fixing your ball mark. Replace when it is your turn to putt.
 6. To continuous putt, (putt out), by announcing "I'll putt", provided you will not stand in other players line in doing so. DO NOT STEP OR STAND IN ANOTHER PLAYERS LINE OF PUTT. Many of our players do this. - This shows lack of courtesy, but actually it is lack of knowledge, because you haven't been told. Some day, we hope to have a Pro-Am tournament. Got to get our manners in order.
 7. To pick up another players divot and toss it back to him for replacing.
 8. To let faster players through if there is a hole open ahead of you. (However, there is such a thing as a speeder on a golf course, as well as on the highway, and tends to "tailgate" everyone.)
 9. To park your cart where it will be handy to proceed to the next tee.
 10. To announce your score as you pick your ball out of the hole. Say it so they hear it.
 11. Be quiet while others are tee-off or putting.
- NOTE: The better player you become, the more your play will be effected by distraction. Think about that. Learn the etiquette of golf. You'll be more welcome. About bad golf manners, nobody wants to tell you, yet they don't like it. Maybe you should keep this for reference.
