Shake hands with a busy Princess!

"I just like the wide open spaces, and couldn't stand to be cooped up in a city," said Morrow County Fair and Rodeo Princess Sherry Kemp. Although she has never known the congestion of a large city, she isn't interested in finding out how "city folk" live.

Princess Sherry Kemp, is the only daughter of Stan and Billie Kemp, and was born and raised on a 2,000-acre ranch 13 miles north of Lexington.

Her favorite sport is horseback riding with her pet dogs as companions. Sherry started riding at the age of 5 on a spotted mare, appropriately named Spot, and she still enjoys riding her mare whenever she has the chance, about every day.

She also has other horses she rides, and has a young colt she is training.

She attended school in Lexington until about the third grade, and when the school was closed she transferred to Heppner. She is a graduate of Heppner High School, and was the editor of the '73 yearbook. She had previously worked on the staff of the annual book, was a teacher's aide, and is a member of the National Honor Society.

She plans to attend Oregon State University, Corvallis, this fall and major in accounting with minor in veterinary medicine. "I have always enjoyed bookkeeping and working with figures," she remarked, "however, until recently I wanted to become a veterinarian, so I plan to study both fields."

She enjoys cooking and is especially fond of chocolate chip cookies, which she has been baking for many years. "I have been baking them so long, I think I could almost make them blindfolded." Be-

sides cookies, she likes to bake fancy desserts, and enjoys cooking a large meal for the harvest crew.

Sherry plays the piano and has taken a few guitar lessons. "I can't play the guitar very well," she continued, "but I like western music and good solid rock."

Sherry's older brother Steve is in Europe and Gary is employed locally.

"I will have a busy summer this year," said Sherry, "helping on the farm, attending Court dances and other functions, the rodeo and starting college. One of these summers, when my plans are not as hectic, I would like to tour Europe. Steve says it's beautiful, and some day I will go."

Princess Sherry has so many irons in the fire it looks like branding time down on the ranch!

The wedding date has been set for Sept. 8.
