

Bruce Young, Don McEwen and Mike Bandhagen dive into the pool at the recent Heppner swim meet. The three young swimmers competed in the 100-yd. individual medley.

Rodeo goers will have a chance to see the Blue Sage Tac Team of Union, Ore., in action this weekend. Twelve girls, 10 to 16, will put their horses through the jumps. They ride bareback, controlling their horses with a tac rein, leg pressure, balance and voice. This girl is doing the free form high jump, and extends her arms for showmanship and balance. The group advertises the Eastern Oregon Livestock Show at their performances.

Over The Tee Cup

By MARIE McQUARRIE
 The Fair coming up and school beginning soon is the time when people are taking advantage of these last weekends to go places they didn't get to during the summer. This is the natural thing to do and is probably why there were fewer out for the barbecue Sunday. However, there were about 20 participating and that makes enough for 5 foursomes to play. The hosts for the day were the Lanham's and the Daggetts. Regular play was used, with women playing against

the men. Bev Gunderson had low gross and least putts and tied with Vi Lanham for a low net. Among the men, low gross was won by Eddie Gunderson; low net, Ed Heimstra; and least putts, La Verne Van Marter Sr. The men are still having a good turnout for their Sunday morning and Wednesday evening plays. If you haven't been out for these two scheduled golf meets, go down this week and you will see what you have been missing. Sorry the TEE-CUP was missing for a couple of weeks, but the writer took a little vacation.
