This year, as you have for the past four or five years, put up and as removed promptly the street decorations for the Morrow County Fair & Rodeo;

You have, for as many years, stored and repaired these decorations;

You have assumed responsibility for handling the lighting of the Fairgrounds and Rodeo plant;

And last week the Heppner Gazette-Times had a breakdown in its addressing department, and it was Columbia Basin that came through and lent us their facilities, and its Lucia Cutsforth, who put in many overtime hours, to see that our subscribers got their paper on time.

Our thanks to Columbia Basin and to Manager Dave Harrison for their service to Heppner, Morrow County, and this newspaper.
