Sorooptimists meet at Enterprise

The fifth semi-annual area meeting of the six Sorooptimist Clubs of Northeastern Oregon held at Enterprise Saturday was attended by five Heppner women.

Club President Marlene Peterson and members Elaine George, Etta Parker, Clara Gertson and Justine Weatherford participated in the one-day meeting at the Enterprise Community Church.

Mrs. Peterson was one of the candidates for area chairman; Erna Ratcliff of the Wallowa County Club was elected. The Heppner club's invitation to hostess the next area meeting in Spring 1974 was accepted tentatively with the possibility left open that the Ontario club might feel ready to take its turn.

During the morning business session outgoing Area Chairman Dr. Margaret McDevitt, Pendleton, appointed Terry Griffith, former Heppner member now of La Grande, Mabel Osborn, Wallowa County, and Justine Weatherford as a committee to draw up standing rules for the area organization which are to be submitted to the six clubs at or before the next meeting.

Rummage sale will boost kindergarden

A Formica table, a mangle and a stuffed chair are featured items offered at the Heppner Community Kindergarten rummage sale, Friday, Oct. 26, and Saturday, Oct. 27, at the fairgrounds pavilion.

Hours are 8 a.m. to 6 p.m. on Friday and 9 a.m. to 5 p.m. on Saturday.

Mothers of kindergarden students have been collecting assorted rummage for the annual fall sale since early summer. The work assignments were divided into sections and each mother assumed an area of responsibility as there was no chairman appointed this year. The two sales are the organization's only money-making activities. Proceeds are used to pay to teacher's salary and other kindergarden expenses not covered by tuition fees.

also presented pictures of New York City, Washington, D.C., and of interesting places going to and returning from the East Coast.

Before the program began, Etta and Elaine George gave each person present a copy of the 1973 UNICEF Children's Fund Greeting Cards Catalog. The cards and calendars offered in this catalog were designed by children in member UN nations around the world.

Mr. and Mrs. Clarence Bauman met Peter Lennon in Pendleton Sunday, and brought him home. He had spent about three weeks in the veterans hospital in Seattle.

Odd Fellows and Rebekahs will hear a report of the United Nations tour by delegates Greg Davidson and Cassandra Chapel at the IOOF Willows Lodge No. 66, Ione, Oct. 20, at 8 p.m. The public is invited.

Tri County TOPS meet in Fossil

The appearance of a Fat Ugly Witch and a Beautiful Thin Witch contributed some fun to the Halloween theme of the District Recognition Day held by TOPS Club of Morrow, Gilliam and Wheeler counties at Fossil, on Oct. 16. The gathering held in the Fossil United Methodist Church began with a low calorie dinner prepared by the Fossil TOPS. During the evening the women sang lively songs and discussed weight loss promotion ideas and worthwhile club contests.

District Captain Chris Nix, Condon, gave recognition to the best losers. Ruth Heimbigner, Ione, with a 14 pound loss and Joan Froman, Condon, with a 21.75 pound loss, were declared division runners-up. First place winners were Lucille Vertess, Con-

don, who led Division 5 by losing 26 pounds, and Ann Evans, Condon, who topped Division 3 with a 25.50 pound loss.

Best loser from Lexington's club was Florence McMillan. Karen Springer won recognition for her loss as a member who transferred from the Heppner Club to Lexington. Three Lexington members, Irene Padberg, Katie Padberg and Karen Springer were each given a rose because they have progressed to within 10 pounds of their goals.

Margo Sherer, Ione, and Dorothy Dunn, Fossil, won Alumni KOPS honors. Six members from Lexington attended: Mary Doherty, Charlene Papineau, Florence McMillan, Irene and Katie Padberg and Karen Springer.

Trees in color for landscaping

What criteria should be used in choosing a tree when landscaping a home? Have you considered colors in trees as a means of beautifying your property?

Rev. Cutting asked these and other questions at the Oct. 8 meeting of the Heppner Garden Club meeting at the home of Ed LaTrace. Deciduous trees for Morrow County was the evening's topic.

Some of the considerations in tree planting Rev. Cutting covered were the range of temperature, moisture and type of soil in the area. He listed trees which have natural resistance to insects and diseases common to this climate.

"Decide whether you should plant a tree or a shrub and know the difference between them," said Cutting. "In some areas it is necessary to gain the permission of the city council before planting near public sidewalks. If you do not

water or irrigate, the only two plants that grow well in Morrow County are juniper and sagebrush."

Rev. Cutting has a revised list of deciduous trees for Morrow County, and further information can be obtained from him.

During the business meeting, a committee was named to help with name tags and registration at the Blue Mountain District No. 10 meeting, Wednesday, Oct. 24, at the Pendleton Elks Club.

The Heppner Garden Club will be represented at the Driftwood Show in The Dalles, Friday, Oct. 26. The next meeting will be Monday, Nov. 12, at the Wallace Wolff home. Mrs. Marilyn Cambers, Pendleton district director, will make her visitations; and Mrs. Alayne Dallas, Pendleton, will give a demonstration on pine cone corsages. The evening will include a potluck dinner at 6:30 p.m.
