

# Mustangs in 9-0 win over Vikings

Heppner High School's Mustangs pulled one out of the bag Friday night to defeat the Umatilla Vikings 9-0 in their Homecoming game at the fairgrounds.

During the first and second quarters the crowd watched the two teams battle to a stalemate, with neither team being able to move the ball. The half ended with the score

0-0.

The Heppner Marching Band took the field during halftime activities and formed a large 'H' as the Homecoming Court was introduced on the field. Susan Healy was chosen Homecoming Queen and was presented a bouquet of roses by Toni Toll, Mustang Cheerleader.

Late in the third quarter the Mustangs intercepted a pass and moved the ball down to the 5 yard line.

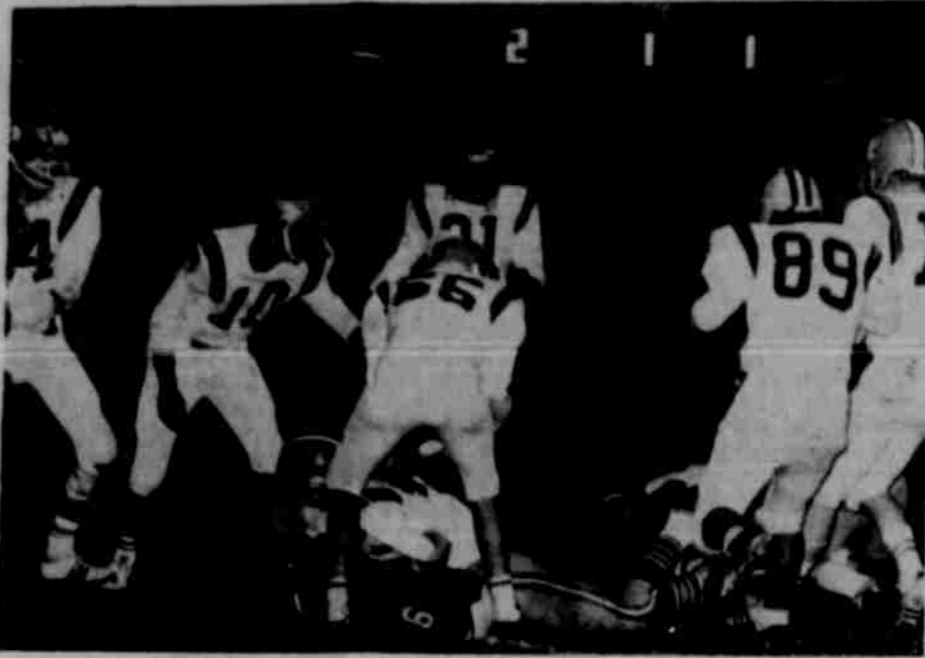

The Mustangs failed to score. The Vikings held and took possession of the ball on their own one-foot line.

The Vikings then tried to move the ball out of their end zone when John Kilkenny tackled running back Art Jones in the end zone for a Mustang safety, and two points.

In the fourth quarter, an inspired Mustang team took the field. Jerry Gentry ran 10 yards for a Mustang TD. The conversion by Matt Greenup was good and the Mustangs had a 9-0 lead. The score remained unchanged as the final gun sounded ending the game.

The statistics for the game are as follows: first downs, Heppner 12, Umatilla 11; net yards rushing, Heppner 238, Umatilla 82; net yards passing, Heppner 9, Umatilla 147; penalties, Heppner 25, Umatilla 30.

Homecoming brought several alumni to the football game. Among the more recent graduates were Nick Marick, 72, Jackie Howton, 72, Kent Gutierrez, 73, Dick Snider, 73, Jerry Pettyjohn, 73, Nancy Ashurst, 73, and Evin Owin Bower, 71.

Mustang Greg Harris recovers a fumble late in the second quarter in the game against the Vikings.

## Partial road closures affects E.O. elk hunt

Rocky Mountain elk hunters heading into Eastern Oregon for the season opener on Oct. 27 will find partial road closures in effect in several popular hunting areas, according to State Game Director John McKean.

The closures, which total about 307,000 acres, are in cooperation with the U.S. Forest Service and private landowners to boost the quality of hunting in several heavily roaded areas and improve conditions for the elk herds. Main traveled roads and most of the popular camping areas in all closures will remain open. Other roads and all off-road travel will be closed to motorized vehicles including motorcycles and snowmobiles. Roads that are closed will be well posted with signs.

The largest closure is in the 200,000-acre Chesnimnus Unit.

It has also been in effect during the past two seasons. Hunters questioned as they checked into and out of the area indicated almost uni-

versal approval both years. Check-in or check-out of the Chesnimnus closure is not required this year.

Other closures are new. In most of them, roads proposed to be closed this year were posted last fall with signs to inform hunters of the projects.

Two closures are in the Ochoco National Forest, one an 83,000-acre unit in the Rager area and the other a 12,500-acre parcel in the Burnt Cabin area.

A fourth closure covers 2,080 acres in the Shingle Gulch country adjacent to the Game Commission's Elkhorn Wildlife Management Area in the southern Starkey Unit.

The final closure in effect this year is in the Middle Ridge area of the Umatilla National Forest northwest of Elgin, covering about 10,240 acres.

Mr. and Mrs. Mark Jellick went to Portland Monday for dental care for Mark.

## Snowmobile club being organized

An organizational meeting was held at the Heppner Elks Lodge, Saturday, Oct. 20, to see if enough snowmobile owners were interested in forming a club.

State Association President Ken Haevernick from Lebanon was present and spoke on state and federal closures that came about in his part of the state. Land closures were made without snowmobilers knowledge, and clubs were formed to take a stand on their behalf.

A voluntary committee consisting of Bob Laughlin, chairman, Ted Palmateer, C.C. Carmichael, Pat Cutforth and Bud Englert and Floyd Hess of Hermiston and Jerry Samples of Kinzua met Monday night to study and form the by-laws.

The first club meeting will be Oct. 29 at 8 p.m., at the Heppner Elks Lodge. Election of officers will be held. Suggestions on a name of the club will be held in a contest. Kinzua Service Station will donate a pair of snowmobile boots as prize for the winning name. All interested persons may attend.

A future activity the club is a safety and instruction examination to be given youngsters who are under the age to obtain their drivers license. This will entitle them to drive snowmobiles after passing the test.

## lone wins one, loses one

lone High School's volleyball teams played Echo Oct. 16 at lone.

The lone "A" team won the match by taking two of three games by scores of 16-14, 14-16 and 15-8. lone's Barbara Palmer served 14 scoring points for her team, followed by Mary Pat McElligott with 10.

The lone "B" team lost two of two games played to the Echo girls by scores of 6-15 and 4-15. Donna Palmer served four scoring points in the losing effort.

Mr. and Mrs. Joe Stewart are bird hunting with Marcel Jones. Many folks remember when Mr. Stewart was superintendent of schools here.
