Jackie Allstott, left and Rose Bergstrom, go over a First Numbered Statement for checking accounts. The new statements are printed in numerical order for the customer's convenience, and make balancing check-books easier.

First Numbered Statement.
The way we figure it
there's no faster, easier
way to balance your account.

A checking account at Heppner's First National has always offered a safe, convenient way to manage money. Now we've made it even more convenient by introducing a new way to reconcile your checking account... First Numbered Statement.

This monthly statement lists all processed checks in numerical order, just as they appear in your checkbook ledger. It makes balancing your account fast and accurate. Even checks not yet processed are easy to spot.

If you're already using our consecutively pre-numbered checks and would like to start receiving First Numbered Statement, stop by our Heppner branch. Any of our tellers will be glad to help. Or if you're not

yet using the numbered checks, you can order a supply for a small fee, and start taking advantage of this handy new service.

Be sure to ask us about First Numbered Statement. We think you'll agree there's no faster, easier way to balance your account.

We'd like to
get to know
you.
