### Monica Circle tells of trip to Greece

Miss Monica Circle, Roseburg, presented a slide illustrated talk about her recent trip to Greece to a gathering of relatives and friends at the home of Mr. and Mrs. Gar Swanson, Ione, Jan. 2.

Miss Circle, fiancée of Jim Swanson, was part of the International Farm Youth Exchange program sponsored by the National 4-H Foundation and the Greek Ministry of Agriculture.

She spent six months in Greece and lived with seven different host families, all of whom resided in the rural farm villages. Two of the families lived on the islands, one on Crete, and one on Corfu. She observed social habits and customs of her host families and in turn tried to convey to them something of her way of life in the United States.

Miss Circle, 22, is a 1973 graduate of Oregon State University. She obtained her bachelor of science degree in home economics education only four days before she left for Washington, D.C., on the first leg of her trip.

When she left for Greece, she was instructed to wait at the Athens Airport until someone arrived to meet her. She spoke only limited Greek and

she will be in Morrow County in March to present her program to the Morrow County Schools and to any other civic organization that is interested. Further information may be obtained from the County Extension office.

The wedding of Miss Circle and Jim Swanson is scheduled for early summer.

Swanson is also a recent graduate of Oregon State University. He flew to Greece in October and accompanied Miss Circle and another IFYE student on their return trip to the United States.

### Rebekahs meet Friday

Braving the cold weather Friday night, Sans Souci Rebekahs met at the hall for their last meeting of the year.

Besides other business slated, the charter was draped in memory of Mrs. Gertrude Vance. Mrs. Vance was a veteran member for 63 years. She died in Portland on Dec. 11. At a former meeting the charter was also draped in memory of Mrs. Lena Knowles. Mrs. Knowles joined the lodge here in 1913. She died in Hermiston in November. Both were long time residents of Morrow County.

Get well cards were sent to Pete McMurtry, who is in Eugene recuperating from recent eye surgery; to Phil Ruggles, who underwent major surgery at Good Samaritan Hospital in Portland in December; and to Clarence Bauman, home again after many weeks of illness.

Joint public installation of officers for Odd Fellows and Rebekahs will be held at 8 p.m. on Saturday, Jan. 12.

### Legion Auxiliary has many worthy projects

The Ione American Legion Auxiliary met Jan. 2 at the home of Mrs. Helen McCabe, president.

It was reported that 60 dozen cookies and \$90 worth of gifts had been sent to the Veterans Hospital in Portland prior to Christmas.

The five lap robes made by Carmen French were displayed. The robes will be sent to the Roseburg Hospital for use by wheelchair patients.

The auxiliary will again sponsor an Americanism essay contest in the Ione Schools. Mrs. Gar Swanson is chairman. The theme for this year is "This is My Country, This is Your Country." Prizes will be \$7.50 for 1st and \$5 for 2nd in both junior and senior divisions. The essays are due the last of January.

The lone group has adopted

a new "Buddy." The previous one was discharged from the hospital. "Buddies" are patients in veterans hospitals who do not have other family members. The auxiliary posts remember their buddies on birthdays, Christmas and other occasions. The lone buddy will have a birthday Feb. 2 and the group will send him a long-sleeved flannel shirt.

The auxiliary will donate funds to the Cancer Society, Heart Association, Kidney Association, March of Dimes, Mental Health, Waverly Child Care Center, Christmas Cheer project and Nursing Scholarship this coming year.

The lone Post will sponsor a girl for Girl's State to be held in June.

A fund-raising project will be to hold an Election Day dinner at the Legion Hall.

### Burning of the Greens ritual is observed

On Monday afternoon the Ione Garden Club observed the end of the Christmas season by the Burning of the Greens.

Epiphany, or the Twelfth Night, has been observed since the 4th century by the Christian Churches of both the East and West. Some churches do this in remembrance of the visits of the Wise Men and others to commemorate Christ's baptism.

Ione Garden Club members in charge of the observance were Vida Heliker, Jean Nelson, Loree Hubbard, Pat Pettyjohn, Irene Swanson and Edith Nicholson. Eldon Tucker gathered the greens and helped with the burning. Following the singing of carols cupcakes were served.

Clara Kincaid, the oldest living pioneer in Morrow County, celebrated her 99th birthday Sunday, Jan. 6. She reads the paper daily, and understands most of what she reads, and can still carry on a good conversation. She had a big birthday party at Pioneer Memorial Nursing Home Sunday, and many of her relatives attended.

Madge Thomson, Heppner, is hospitalized in St. Anthony Hospital, Pendleton, after suffering a broken knee cap as result of a fall Monday on icy Main Street.

Those wanting to form a car pool to attend the AAUW meetings in Ione Saturday may meet in front of Winter & Doherty offices by 10:30 a.m. Saturday, Jan. 12.

Mrs. Lee Scrivner has returned from Portland where she spent Christmas week visiting at the home of her son, Robert, and family, and other relatives and friends.
