1 Cards of Thanks

I would like to thank all my friends and neighbors for their many cards, letters and especially their concern over the recent loss of Becky's horse, Rikka Tews.

Now for the good news, Rikka Tews has been found and returned to Becky after having spent a few days in a riding academy stall. We want to thank all of the officers who helped in locating Rikka.

We wish to express our deep appreciation to the many people who indicated their concern through their calls, flowers, gifts and visits, while Gladys was a patient at the hospitals and since her return home. For those who brought us spiritual help through their prayers, we shall be forever grateful.
