

Teena Lindstrom, left, Cathi Peterson and June Lindstrom add decorations to the American Legion Hall, here, for the Spring Cotillion Dance to be held Saturday, March 23.

Preparations for Cotillion

Members of Beta chapter, Alpha Sigma Epsilon, are making handmade flowers to be used for decorations when they have their Spring Cotillion March 23 in the Legion Hall.

Mrs. Art Lindstrom is general chairman of the formal dance, which is open to the public. Music will be furnished by the Rod Esseltyne band from Pendleton.

Mrs. Lindstrom reported all members of the sorority will be selling tickets. People from out-of-town may contact Mrs. Del LaRue in Ione or the Rand W Drive-in in Heppner if they desire to get tickets in advance. Tickets will also be sold at the door.

Proceeds from the dance will be used to finance the children's charities sponsored by the organization.

Mrs. Vela Eubanks is visiting at the home of Mr. and Mrs. John Eubanks. She went to Pendleton with Mrs. Lewis Halvorsen on Monday. Mrs. Eubanks will be honored on her birthday March 23 with a reunion dinner of the Padberg-Eubank families. All friends are invited to attend the potluck dinner which will begin at 5 p.m. in the Grange hall.

Mr. and Mrs. Cal Reddick, Roseburg, and Sandra Jackson, Anchorage, Alaska, were weekend visitors at the home of Mr. and Mrs. Millman.

Lodge gift to library

A new metal, four-drawer, letter-size filing cabinet was presented to the public library by Willows Lodge No. 66, IOOF, last week.

The library has not had a place to store papers and pamphlets in an organized manner until now. This filing cabinet is now standing in a central position beside the card catalog cabinet where it will be easy for the public to locate extension pamphlets, loose maps, special articles, and book catalogs.

Willows Lodge has supported the library with other gifts through the years, as have other local organizations. These contributions have enlarged and strengthened the library. It now contains almost 9,000 cataloged books and a good-sized assortment of paperbacks, magazines and pamphlets that are "organized" but not cataloged.

Bids have been called for to construct the pipeline for the city water project. They will be opened at a special meeting of the council on March 18.

The Bill Gates Benefit Dinner held March 10 at the Ione High School brought in \$1147, according to Mrs. Lee Palmer, president of the Cardinal Club. The affair which featured a spaghetti dinner, cake walk, silent auction, and basketball game was well attended by local people as well as those from surrounding communities.

The Ione Girls were declared the winner of the basketball game with the UnPlayers. There might have been a possible violation of the rules, however. The UnPlayers displayed a definite advantage until the beginning of the fourth quarter. The girls team then brought on five new players that had not previously played on their team. With the assistance of the recruited "girls," the final score was 27-26.
