Swim-a-thon covers over 80 miles

More than eighty miles of splashing, kicking, and muscle straining took place Monday night at the Heppner Swimming Pool. Members of the Heppner Swim Team and their friends turned out to participate in the team's first "swim-a-thon" in an effort to earn money for the team. Although the dollars and cents results are not known at present because the swimmers will be collecting their pledges this week, the "swim-a-thon" was termed a "huge success" by team coach Judy Gentry and the members of the Heppner Swim Team parents. They expressed great appreciation to the community for supporting the event so well.

Lightning starts fires

Eight fires were touched off early Monday morning by lightning in the northeast section of Morrow County.

Smoke jumpers were needed to put out fires in the Madison and Texas Butte areas, and a total of 30 men including helicopter and plane crews were employed to subdue the fires.

Over The Tee Cup

By R & L

Special play made for an interesting morning last ladies' day. Lois Hunt was the winner in specs, in which points are given on each hole for the longest drive, first on the green, closest to the pin and first in the cup. Anna Schwarzin won a ball for the least specs, with Ada Shiffer winning a special award for the most trouble. It's nice to know that there are prizes for the agony as well as the ecstasy of golf!

Francis Doherty shot the low gross score in Sunday morning play, with Charles Starks taking low net. Ed Hiemstra grabbed both the long drive and KP awards; La Verne VanMarter put together a prize-winning putting game.

Seventeen golfers enjoyed the barbecue July 28, rounding the course in two-ball foursomes on a very warm afternoon. The winning two-some were a threesome—Bob Jepsen, LaVerne VanMarter and Bev Gunderson. Ed Gunderson and Suzanne Jepsen posted second low gross. Francis Doherty and Rose Parks were the putting champs; Conley Lanham and Hazel Mahoney were the high gross duo.

The eclectic trophy is ready and will be presented this week. Chairman Dee Gribble refused to "leak" the winner's name to these reporters, so

we'll have to delay revealing the identity of the new club champion. Be with us next week.

Don't forget the trip to Kinzua August 4. An enthusiastic group of golfers joined us when we played hosts; let's reciprocate with a good turnout from Willow Creek.
