Over The Tee Cup

By R & L

At last, the news you've been waiting for!

Monica Jones is the winner of the 1974 Willow Creek Women's Eclecta tournament. During the tournament, she posted lower scores on every hole; 29 strokes was her total improvement.

Quite an accomplishment! Also winning recognition for sharpened skills were Juanita Carmichael and Bev Gunderson. The Tee Cup toasts our champion, and thanks all who took part in the competition. It certainly gave us something to shoot for.

Another local golfer won recognition this week—La Verne VanMarter Sr., who was honored at Kinzua Sunday for his seniority and skill on the fairways. A dozen golf balls are none too many for a man who plays the game of golf so well and derives so much satisfaction from it. Willow Creek golfers can be proud of their senior member—and can continue trying their darndest to beat him in a round.

Six other golfers braved the heat wave with Van Sunday to partake of hospitality, Kinzua-style. Coming home with prizes for their efforts were Doug Gunderson, low gross; Dave Harrison, low net and KP; and Dennis Martin, long drive. Due to the number of participants, the ladies had to be dis-invited. Perhaps the women will be asked back another time.

Ten gals steamed around the course on ladies' day, many with the aid of carts, hardly a luxury on such a hot and humid morning. Winning a ball each in a luck-of-the-draw contest were Dorothy Glenn and Lois Hunt. In an attempt to best the elements a bit, ladies' play will com-

mence at 8:30 until further notice. Plan to join us.

A barbecue is scheduled for the 10th, with a 5 tee-off time. This is the last family food and fun day for this month, so make it a point to attend. A suntan is guaranteed!

Horse judges named

Twenty-five 4-H youth participated in a Horse Judging Contest Sunday, Aug. 4.

Three different classes of horses were judged. The top ten judges selected are: Laurie Childers, Mary Ann Greenup, Cindy Dougherty, Maureen Healy, Carol Donovan, Tony Currin, Kim Pettyjohn, Janice Healy, Barbara Palmer and Ron Currin.

All results and scores will be posted at the fair, Sunday, Aug. 11, the day of the horse show.

Official judges for this contest were Mary Zinter, Heppner, and Judy Varney, LaGrande. Riders and showman for the contest were Mary Ann Sharp, Becky Evans, Sandy Rodriguez and Sherry Kemp.

Jackie Vaughn, 18, Heppner, was cited by city police Aug. 4 for driving without an operator's license. He was fined \$17 in municipal court.

Boyer to play in East-West game

JOHN BOYER

John Boyer, 1974 graduate of Heppner High School, will play in the 1974 East-West Shrine All-Star Game at Baker High School Stadium, Aug. 24.

Boyer was named All-American by the yearly publication, "Who's Who in National High School Athletics," for his football performance last year. He also received the team's Most Valuable Player award.

As a member of the East team he will compete against other outstanding players from Western Oregon. Proceeds go to support the Shriners Hospital for Crippled Children.

"Strong Legs Run That Weak Legs May Walk" has been the slogan for this football classic since it was started in 1952. The 52 players in the East-West game are

chosen from graduating seniors from Oregon A and AA schools.

The West team leads the series 13-7; there has been one tie.

Training practices for both teams will start Sunday, Aug. 11. The teams will be housed in West Dorian Hall on the Eastern Oregon State College campus. The LaGrande High School field and the EOSC field will be used for practice sessions.

Coaching the East squad will be Rich Schwab of Marist High School, Eugene. Jim Bernhardt, Scappoose High School, Stayton, will be head coach for the West.

On Aug. 17 the players and coaches will be in Portland for the North-South game in the Civic Stadium and visit the Shriners' Hospital before returning to LaGrande, Aug. 18.

A downtown parade in Baker is scheduled for 2 p.m., a pre-game pageant at 7 p.m., and the game at 8:15 p.m.

General admission is \$2. Reserved seats are \$4.

With temperatures topping the 100s, little Judy Jepsen, 3, "cools it" with a soft drink. She is the daughter of Mr. and Mrs. John Jepsen of Ione.

Building inspection required

Howard Shope of the Department of Commerce, Pendleton, is the inspector for Morrow and Umatilla counties.

The inspection requirement has been adopted by the county in accordance with state building codes.

Building permits and inspection fees may be obtained at the Morrow County Planning Commission office in the courthouse.
