

Wheeler County Archers hold a big 'shoot out'

The Club Championship Tournament (traveling trophies) was held on Aug. 4 by all Wheeler County Archers.

Target time was 9 a.m. for the 56 targets consisting of 28 hunters before a huge potluck dinner and 28 field in the afternoon.

The 1973 holders of the club trophies were Bettie Elders for the women and Henry Spivey for the men. They presented their trophies to the new winners, Sue McClure for the women and Rod Springer (Hermiston) for the men.

This shoot is for local club members for these two trophies and is given to the top score of men and women regardless of what class or style they are shooting in.

Added to it for the first time this year were traveling

trophies for the Youth and Pee Wee Classes. Mike Rice was the winner for the Boys Youth Division and Troy Garcia placed 2nd. Betty Bell was winner for the Girls Youth Division. Robbie Hulet was winner for the boys Pee Wee Division, and Andy Samples taking 2nd and Pat Bell 3rd. There were no girls entered this year in the Pee Wee Division.

Another addition to the tournament this year was a traveling trophy in each division with the winners as follows: Men's A Bare Bow, Rod Springer, 1st place, Henry Spivey, 2nd, Phil McClure 3rd. Men's Bare Bow B, Verlin Conner, 1st, Larry McIntosh, 2nd. Men's Free Style, Raymond Reid, 1st, Doug Elder, 2nd. Men's Bow Hunter, Herschel Murdock,

Men, it's time to sharpen your golfing skills. A match play tournament to determine the men's club champion will get underway Monday, Aug. 19.

All club members should have received by now a letter explaining this tournament—if you haven't, contact Dennis Martin. As Dennis says in his letter, match play tends to even things out for the golfers of all handicaps, so we'll hope to see all of our male members competing. Who couldn't use another trophy?

Speaking of trophies, our current women's champion, Monica Jones, continues to gather awards. Last ladies' day she was able to predict exactly her nine-hole score before beginning the round, a feat which earned her a golf ball. Hazel Mahoney was another precise prognosticator and prize-winner. Dorothy Glenn did a little pencil magic to earn her prize; after subtracting her putts from her gross score, she had the lowest score for

the morning. Some of the means used this summer to determine winners on ladies' day have been inventive, to say the least!

The names in the news for men's play Sunday include John Edmundson, low gross; Clint McQuarrie, low net; Ron Williamson, KP; Harry McCauley, long drive; and Harold Kerr, least putts.

Ed Hiemstra and Vicki Edmundson posted the low net scores for men and women at the barbecue Saturday. Norma Harrison and Harold Kerr proved their sharp-shooting skills to win KP. Vickie Edmundson (again!) had the fewest putts.

We will be hosting the Echo and McNary clubs the 18th. Chairman Dave Harrison expects a turn-out of approximately 60 golfers; let's not disappoint him. The girls will be playing; we'll tee off after all the male foursomes have gotten on their way. Plan to come out and help us make it a great Sunday at Willow Creek.
