Head, Heart, Hands, Health . . . Working For a Better World

Young folks who appreciate the gifts the good earth offers, who use those gifts to make things better for themselves . . . their families . . . their neighborhoods . . . and the nation. It's time to congratulate them: the country kids with their livestock and produce . . . the city kids planting parks, cleaning rivers—all of them learning and using the skills that make life a richer experience and the world a better place. We'd like you to know, 4-H'ers, that we appreciate your work and applaud your success. We're standing behind you proudly as you proceed with your projects. Thanks for creative concern.
