PUBLIC HEARING NOTICE

A public hearing will be held by the Morrow County Planning Commission at 8:00 p.m., Monday, Oct. 28, 1974 at the new Morrow County office in the Wilson Bldg., Irigoin, to consider the following matters:

1. An application by Mr. and Mrs. Don Baker, Boardman, for a zone change from "Farm" to "Farm Residential" on their property consisting of 5.95 acres in T4N, R 25 EWM, Map 16 AD, on Wilson Road, southeast of Boardman.

2. Amendments to the Morrow County Zoning Ordinance. The principal reason for the proposed amendments is to bring the Morrow County Zoning Ordinance into conformance with Oregon State Statutes which were enacted subsequent to the date the Ordinance was adopted. Planning Commission members have a copy of the zoning ordinance showing the proposed amendments, and a limited number of copies are available at Room 201, Court-house, Heppner.

3. An application by Elmer Steers, Heppner, for a variance in order to place a mobile home on T2 S, R 26 E, Section (Map) 34DD, Tax Lot 1200, consisting of .91 acre, located on the State Highway, 200 feet south of the Heppner city limits.

All citizens are urged to attend this public hearing and express their opinion on the subjects under consideration.

Dental care back in the classroom

Heppner Elementary stu-
dents in grades kindergarten
to six have again become
involved in a dental care
program emphasizing pre-
vention.

The program consists of
daily brushing and a weekly
rinse of fluoride solution
supervised by the classroom
teacher.

The daily brushing is a dry
brushing following lunch with
a minimum of disruption to
the academic schedule.

The weekly fluoride rinse is
done with a 2 per cent solution
of sodium fluoride. The
process takes place at the
students' desk, is not taken
internally, and takes less than
five minutes per week. This
weekly rinse program reduces
decay up to 50 per cent as
shown in a study conducted in
two Portland Public Schools
from 1967-1972.

School authorities say this is
not a substitute for individual
clinical application by a
dentist or dental hygienist.
The program is completely
voluntary, with permission
slips needed from parents,
and may be begun or ended at
any time. The State Dental
Health division, local health
department and area dentist
have given their support to
the program as it goes into its
second year in the Morrow
County elementary schools.

Permission slips are avail-
able from the school offices
for those parents who have not
yet received one by way of
their child.

Deer season closes today

The 1974 deer season in
Eastern Oregon will come to a
close after Thursday, Oct. 17.

Mule deer hunters have
experienced one of the tough-
est hunting seasons in several
years. Dry, noisy conditions in
the woods have continued
since the season's opening,
without rain, snow, or storm to

shift the odds in the hunter's
favor. Weather forecasts pre-
dict no changes in sight for the
last few days.

Hunters are reminded that
the deer season in the Keno
Unit in Southwestern Klamath
County also closes after
Thursday, along with the rest
of Eastern Oregon. This is a
change from last year since
this unit has generally co-
incided with the longer West-
ern Oregon season.

Although most deer in the
Keno Unit are of the blacktail
variety found throughout
Western Oregon, their habits
are more similar to the mule
deer of eastern Oregon. They
migrate to lower elevations
late in the season as mule deer
do and become more vulner-
able to hunters during their
travels. Because Keno Unit
deer populations are low this
year as are mule deer
numbers, the season is being
closed early.
