UN essay contest to open

The Odd Fellows and Rebekahs are again sponsoring the United Nations Pilgrimage for Youth, a project where 1,000 high school students attend six weekly sessions each summer at the UN in New York City.

The students are addressed by delegates to the UN and by representatives of the UN agencies for a "behind the scene" experience. The students are chosen for the trip as a result of an essay contest conducted by the organizations. This year the essay topic is "The United Nations Now in This Changing World." Twenty winners from Oregon will leave Portland about July 4 and return late in July or early August.

The all-expense trip is provided by the sponsoring lodges with the provision that for one year after the student returns he is to report on his trip to any group that requests it. Last year's winner from this area was Anita Davidson. Students desiring to enter the essay contest should contact their English or speech instructors for details.

The Cooking Kitties 4-H Club met at the home of Mrs. Cheryl Hobbs, Oct. 24, for their second meeting of the season. Each brought a dollar to pay for the food prepared and eaten at the meeting. They divided into three groups and made celery sticks, Franklin souper sandwiches and carrot sticks.

The Field Training and Service Bureau of the University of Oregon regarding enrollment projection and facility needs for Morrow County Schools.

Members of the committee will consider the recommendations of the report and will attempt to set some priorities on them.

The Field Training and Service Bureau had entered into an agreement with the district in May to provide a report by Aug. 15. However, the lack of decisiveness related to some of the major industrial development in the county caused a delay in the presentation of the report.
