4-H'ers eligible for Japan trip

Youth looking for new and educational experiences during next summer vacation months may wish to investigate the possibilities of the Japan Labo-Oregon 4-H Teen Exchange.

Any 4-H member ages 12 through 18 is eligible to apply for the exchange trip, which will take them to Japan for approximately a month, to live with a host family and have the opportunity to learn all about the Japanese culture. Two girls from Morrow County, Cathy Palmer, daughter of Mr. and Mrs. Roger Palmer, Heppner, and Julie Grieb, daughter of Mr. and Mrs. Gary Grieb, have applied to participate in the overseas exchange.

Others interested are asked to call the Extension Office, 676-9642, for further information soon, as deadline for

applications is Dec. 15.

Adults may also apply to accompany the group as chaperones.

While costs have not been confirmed, it is estimated that expenses will be about \$800 which includes plane trip. A \$50 deposit is required with application; the remainder may be sent in later. Orientation meetings will be held previous to the departure of the group this summer.

The exchange program offers exciting opportunities for young people to travel, meet and understand people of other countries and broaden their understanding of world affairs.

Former minister David Crook will be in Heppner Dec. 23 at the Christian Church basement, 7:30 p.m., to continue his Christian Family teachings.

Columbia Basin reworks lines

The project required six weeks to complete by the Carlson Construction Co.

Columbia Basin manager Dave Harrison said he appreciated the patience of the people of that area while the project had been under way.
