City gets \$5,000 in tax funds

The State Highway Division has announced distribution of \$4,388,318.96 in highway-user funds to incorporated cities of Oregon.

Heppner's portion amounts to \$5,016.53.

The quarterly allocation is based on the statutory 12 per cent for the period Oct. 1 to Dec. 31, 1974.

The funds come from the following sources: motor vehicle registration and operator's license fees, gasoline tax, use fuel tax, motor carrier fees, and fines and penalties collected for violations of the size and weight statutes.

The clinics are under the direction of Morrow County Health Officer L.D. Tibbles, assisted by Mrs. Pat Wright, R.N., and a volunteer staff.

LUNG ASSOCIATION SETS MEETING

On Feb. 6 representatives of the Eastern Region Council of the Oregon Lung Association will meet in LaGrande.

Jeff Butler, coordinator and executive director of the Council of Medical Education and Development Inc. for northeast Oregon, will be the luncheon speaker. Regional President Everett C. Abbott, LaGrande, will preside. Mrs. W. W. Weatherford expects to attend as a representative of Morrow County.

Murray's robbed

Murray's Drug was robbed of approximately \$600 in cash and checks over the weekend.

The funds were taken from the state liquor department, located in the drug store. No money in other cash registers was disturbed, according to Mark Murray, co-owner, nor was any merchandise taken.

The money was in cash and checks. Friday's liquor store receipts left in a bank bag were missing, as were cash and checks for Saturday's business which were in the liquor department cash register.

There was no evidence of forced entry into the building. City police are investigating.
