Bring your Sherlock Holmes hat and glass for the hunt will be on for this little catch of spring-colored cotton canvas fabric. For sure, you'll want to be here when the doors open because there are only 12 lengths at 44¢ a yd. (reg. 1.29 yd.). Find um - keep um is our motto.

CAUTION! ONLY FOR THE STRONG. It's goin' to be a real scramble to get to these fantastic fabrics. "It'll be survival of the fittest when you go clawing through the crowds to get your hands on these 1 yd. cuts. We'll put the table where the most can get to it, heaped with polyester doubleknit 1 yd lengths at only 99¢ apiece! Regularly up to 5.95 yd.

Oh, Martha's favorite! Soft flannel... terrific for polishing shoes (could be used for night gowns and pajamas, too, if you're so inclined). 66¢ a yard! And you can have white, red or pastels that were 1.29 for a whole 36".

If seeing is believing, then they've made a believer out of me! This 3.79 quilted material is nice! About two years ago, we made a display robe and that bolt sold like crazy. Come on — use your imagination; robes, tops, hostess gowns, bedspreads, jumpers, pillow covers, stuffed animals... now only 1.44 a yard — to you who have a creative flair. When you get whatever you're going to make done, (better give a year for some of us who are a little slow), get it all together and have a patriotic party and show. How about a prize for the best?

—A SMALL MIND STOPPER—

Here's a guessing game. What pops into your mind when someone says ... **KNITTED TOPS?** Cable stitched roofs? Purred carrot greens? Slip stitched lids?

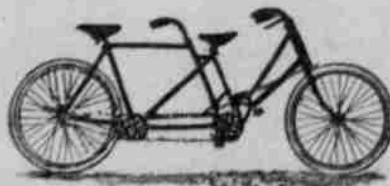

You lose... cause the answer is plain ol' knitted shirts for girls... and we've got about 75 of them to be exact... and just about as plain as you can imagine. They have been around for about as long as you could imagine, too! Now, let's all imagine that the present 3.50 has been changed to 1.44. Now, I imagine that they look a lot better!!!

SHOE DEPT

(where a foot doesn't necessarily
mean 12 inches)

The truth is there's some strange looking styles and some odd sizes in this bunch of shoes. "Lucky" thought they were "a heck of a deal" when he bought them, but we all know he's not perfect. Even in these days... leather's a little tough to eat so we're pricing them to walk out... **FAST!** Styles for George, Martha and the kids that we originally thought were worth up to 24.95 but we're going to kick 'um out for 1.22 to 9.22.

a shoe leather saver-not for sale!

Training shoes. Men - Absolutely! doesn't mean little wheels out to the sides to keep you from falling! These are lightweight athletic shoes that are a terrific deal at 19.90. but this Friday and Saturday, 13.22 will get you a pair in patriotic red or blue. (All you need beyond the cash is a little courage).

ACCESSORIES

(do you really think they
will help?)

15 pr. only! Honest Abel (oops, wrong guy... but he was "cuter"). Real leather gloves for only 88¢. We don't know what poor animal is walking around with tiny glove shapes cut out of his hide, but lucky are those of us with hands small enough to fit these regular \$7 to \$9 gloves.

Out with the old and in with the new!... an unoriginal saying we had left over from New Year's, that kinda fits the situation with these 7.95 to 19.95 handbags that are NOW priced at 5.88. Take your choice, leather or downright fake leather bags with handles or shoulder straps... specially shipped from across the pond especially for us... it seems, to kick the price around a little and down a lot.

If you've got a body like this
... AND 79'...

WE'VE GOT A little "token-coverage"... bikini briefs... that were originally over-charged at 2.00! Really, these bikinis are just a little too skimpy to even be called briefs! Honestly, there is hardly enough of any one of them to really see how bad the patterns are! Better bring your glasses. You'll need 'em to see just what your 79¢ is goin' to get you into.
