and this is only in the preliminary stage.

As another source of income for the city the question of increasing water rates was again discussed, with no action taken until the budget is studied.

Sweeney stated that the City of Heppner receives no business tax, as do other cities, and the city charges only a 20 per cent franchise tax while other cities charge 30 per cent and over.

City Engineer Steve Anderson reported on Phase 3 of the proposed water line at the reservoir and related work. He also told the council of his negotiations with Fred Hoskins for obtaining a right-of-way. Anderson advised hiring a construction inspector while

construction of a reservoir is underway. An estimated cost of \$11 per hour is the usual fee received by inspectors, he said.

Anderson told the council of a block grant that is available to communities with a population of 25,000 or less. "The state has \$2.5 million to give to smaller communities if they meet the necessary requirements. There are three requirements, and one of them is that the city is ready with the necessary plans for construction and does not have funds to proceed with construction. Anderson suggested the money could be granted to Heppner for installation of three miles of 12-inch water main at an estimated cost of \$350,000. If the money could be

obtained, it would complete the water project. Other suggestions were obtaining funds for Hager Park while others suggested street and bridge repair.

"All that is needed for Heppner to qualify is citizen input," said Anderson, "and hopefully at the next meeting more concerned citizens will be present."

"WHO'S WHO IN MORROW COUNTY" CONTEST

Copyright 1975 by GEM Enterprises and Associates. All rights reserved.

Where to look for clues:

Clues may be hidden in any ad in this section of 30 merchants whose ads are printed below. When an additional ad from one of these sponsoring merchants appears elsewhere in the paper, they too may have clues hidden in them.

Clues will be scattered. There may be from one to five in any ad—or none. This is a contest of skill, and we intend to do our best to outwit you! We invite you to do your best to outwit us.

Contest rules:

1. This is a family fun contest. One entry per person (a family of four could submit four entries). Anyone may enter unless a member of your family is employed by the merchant whose ad is heavily bordered this week (this applies ONLY during the week this ad is bordered). Employees of other sponsoring merchants are eligible.
2. Nothing to buy. Use any slip of paper for entry blank. It is not necessary to be present to win. It is not necessary to be a subscriber to the Gazette-Times to enter.
3. The Mystery Person may be anyone in Morrow County. Clues for his or her identity will be hidden only in ads for sponsoring merchants. If by coincidence the name of the Mystery Person (or other facts about him or her) happens to appear in news items, editorial matter or other places in this newspaper, these will not count as clues in this contest.
4. To enter, write down the name you think to be the Mystery Person. Add the total number of clues you can find in ALL the ads of sponsoring merchants in this issue. You

do not have to list all these clues, just give the total number of them. Don't forget to add your name and address. Then drop your entry in the box located at the sponsoring merchant whose ad is bordered with a dark border in the ads listed below in this issue.

5. There is no other place where entries will be accepted. Any member of the family may bring in all the entries for that family. Children under 12 must be accompanied by an adult.

6. This week's contest starts when you receive this issue and closes at 5 p.m. Friday of this week.

7. At that time (5 p.m., Friday) a drawing will be held at the store where entries have been received for this week's contest. The first entry drawn that correctly identifies the Mystery Person will win \$20 in cash. If that entry also lists the correct number of clues hidden in all ads of sponsoring merchants, a bonus of \$7.50 will be paid. Whenever this bonus is not won, it will be added to the following week's bonus, which will continue to grow until it is won.

8. Every precaution will be

taken to prevent typographical errors that might be mistaken for clues, but errorless typography cannot be guaranteed—by anybody. The publisher of the Gazette-Times will be the judge in all questions and his decision is final.

Family participation gives you a better chance to win the jackpot. Your wife, husband or some bright-eyed youngster may spot a clue that you miss!

Think you can outwit the contest? You can't win if you don't enter.
