school

The total budget amount including reserve funds was \$57,865 compared to the current year's budget of \$41,245. Some of the increase is due to build-up of reserve funds.

Improvements to the water system has resulted in additional requirements for operation and bond payment. The operating budget is within the 6 per cent limitation and will not require a vote. Taxes to be collected within the limitation are \$2253 An additional \$2000 for bond payment is to be collected from assessment of property improved by water facilities.

Centenarian dies at Prineville

Funeral services were held Saturday, May 17, at the Prineville Community Church for Anna L. Sumner, 100, who died in Prineville on Tuesday, May 13.

Anna L. Garrett was born September 23, 1874, at Willow Creek in Wasco County, the daughter of central Oregon pioneers Harlin and Eliza Garrett.

She grew up on the family ranch and on October 12, 1897, was married to Thomas Y. Sumner. They operated a₁ ranch in Wasco County until 1923, ran a stage line between Shaniko and Lakeview, and also operated the Shaniko Hotel

Mrs. Sumner had made her home in Prineville since 1924. She was a member of the Community Church, a 56-year member of the Pythian Sis-

ters, a member of the Ladies Patriarch Militant, the Golden Age Club, and a charter member of the Rebekah Lodge.

Mr. Sumner preceded her in death in 1938. She is survived by her son, Calvin, Heppner; three daughters, Madge Wyman, Prineville, Florence Harper, Eugene, and Gladys Donnally, San Carlos, Ca.; a sister, Ethel Stockton, Prineville: 12 grandchildren, 28 great grandchildren and 12 great-great grandchildren.

One of the first conservationists. William Penn decreed in his Pennsylvania colony in 1681 that one acre of forest should be left standing for every five acres that were cleared.

After all, we provide electric service for more than half of our nation's farms and ranches . . . which produce three-fourths of the wheat and 65 per cent of all agricultural products raised in the United States.

We know firsthand that our country's impressive agricultural productivity depends on a reliable supply of electric power. And we know the cost of power is a factor in your food bill-not large, by any means, but large enough to matter. We're locally owned nonprofit
